Rant Of The Mad Man:

Rant of the Mad Man Charlie Greer, 2003-10 Charlie Greer let s it all hang out in this tell all book about the highs and lows of a struggling independent artist making his way through the topsy turvy world of entertainment Read along as Charlie burns every bridge he s ever crossed A hilarious laugh out loud must read *Am I the Only One Crazy?* Myron Lee, 2014-07-29 The desire to write this book was at first born out of frustration of yet another failed relationship In the midst of this frustration I attempted to explain what I felt love really was to someone who I thought at that moment to not have a clue From this relationship I began to explore my mind and remember how love first found me From there this book was born In no way am I professing to be an authority on love or relationships I have no degrees or licenses which can validate it I am only sharing my most intimate experiences allowing you to be there and hopefully feel what I felt and see through my eyes my life as it existed in those moments To say that I m a hopeless romantic is a very accurate description of a huge part of me I believe in the truth of love because love is responsible for our very existence If not for our father in heaven non of us would exit My hope is that you will be inspired by my story and that you will avoid many of the situations I encountered by cherishing yourself and the essence of love If you do this then I will have accomplished my goal May love live on in you

Immortal and the Madman Gene Doucette, 2014-08-03 I m sorry I startled you last evening he said I get confused It s worse at the end of the day That s all right I said He was reacting to my words before they came out of my mouth nodding affirmation I decided to stick to simple declarative sentences for the moment Confused how You see the future He shifted in his chair I experience the future That was different Whose future You can predict Like a prophet All futures within my senses I see them all at once and I can t stop it Your words my words they echo forward Everything happens and will happen and is happening On a nice quiet trip to the English countryside to cope with the likelihood that he has gone a little insane Adam meets a man who definitely has The madman s name is John Corrigan and he is convinced he s going to die soon He may be right Because there s trouble coming and unless Adam can get his own head together in time they may die together

Memory and the Archival Turn in Caribbean Literature and Culture Marta Fernández Campa,2023-04-15 This book discusses an archival turn in the work of contemporary Caribbean writers and visual artists across linguistic locations and whose work engages critically with various historical narratives and colonial and postcolonial records This refiguration opens a critical space and retells stories and histories previously occluded in by those records and in spaces of the public sphere Through poetics and aesthetics of fragmentation largely influenced by music and popular culture their work encourages contrapuntal ways of re thinking histories ways that interrogate the influence of colonial narratives in processes of silencing but also centre the knowledge found in oral histories and other forms of artistic archives outside official repositories Discussing literature and selected artwork by artists from Britain Cuba the Dominican Republic Haiti Puerto Rico and Trinidad and Tobago Memory and the Archival Turn in Caribbean Literature and Culture demonstrates the historiographical significance of artistic and cultural production In God We Trust Lenora S.
