A Postmodern Reader Joseph P. Natoli,Linda Hutcheon,1993-01-01 These readings are organized into four sections The first explores the wellsprings of the debates in the relationship between the postmodern and the enterprise it both continues and contravenes modernism Here philosophers social and political commentators as well as cultural and literary analysts present controversial background essays on the complex history of postmodernism The readings in the second section debate the possibility or desirability of trying to define the postmodern given its cultural agenda of decentering challenging even undermining the guiding master narratives of Western culture The readings in the third section explore postmodernism s complicated complicity with these very narratives while the fourth section moves from theory to practice in order to investigate in a variety of fields the common denominators of the postmodern condition in action *Technoculture*

Murray Forman,Mark Anthony Neal,2004 Spanning 25 years of serious writing on hip hop by noted scholars and mainstream journalists this comprehensive anthology includes observations and critiques on groundbreaking hip hop recordings Rap on Trial Erik Nielson,2019-11-12 A groundbreaking expos about the alarming use of rap lyrics as criminal evidence to convict and incarcerate young men of color Should Johnny Cash have been charged with murder after he sang I shot a man in Reno just to watch him die Few would seriously subscribe to this notion of justice Yet in 2001 a rapper named Mac whose music had gained national recognition was convicted of manslaughter after the prosecutor quoted liberally from his album Shell Shocked Mac was sentenced to thirty years in prison where he remains And his case is just one of many nationwide Over the last three decades as rap became increasingly popular prosecutors saw an opportunity they could present the sometimes violent crime laden lyrics of amateur rappers as confessions to crimes threats of violence evidence of gang affiliation or revelations of criminal motive and judges and juries would go along with it Detectives have reopened cold cases on account of rap lyrics and videos alone and prosecutors have secured convictions by presenting such lyrics and videos of rappers as

autobiography Now an alarming number of aspiring rappers are imprisoned No other form of creative expression is treated this way in the courts *Rap on Trial* places this disturbing practice in the context of hip hop history and exposes what's at stake It's a gripping timely exploration at the crossroads of contemporary hip hop and mass incarceration **The Complexities of Race** Charmaine Wijeyesinghe, 2021-12-28 This book discusses current and pressing issues policies and practices that affect the experience and representations of race naming and belonging in American culture politics and racial justice efforts Many chapters adopt an intersectional approach when covering topics such as race as a choice white racial identity US Census categories transracial adoption and the experiences of people of color also marginalized by faith and sexual orientation Encyclopedia of Race, Ethnicity, and Society Richard T.
