Rape And Criminal Justice:

Rape and the Criminal Justice System Jennifer Temkin, 1995 This work examines the ways in which the criminal justice system deals with rape and its after effects in the victim PTSD post traumatic stress disorder Considerable coverage is given to research findings in the United States findings of the police themselves and other investigations *Rape Justice* Nicola Henry, Anastasia Powell, Asher Flynn, 2015-09-01 This book explores the burgeoning interest in alternative and innovative justice responses to sexual violence both within and outside the legal system It explores the limits of criminal law for achieving rape justice and highlights possibilities for expanding how we think about justice in the aftermath of sexual violence **Forcible Rape** National Institute of Law Enforcement and Criminal Justice, 1978 *Rape Law Reform* Cassia Spohn, Julie Horney, 2013-11-27 This book evolved from our interest in rape as feminists and as social scientists As feminists we were concerned about the treatment of rape victims and the attrition in rape cases under traditional rape law and we welcomed legal reforms designed to improve the situation As social scientists we wondered about the efficacy of legal changes aimed at an inherently resistant court system We also were curious about the lack of studies examining the impact of these changes we were particularly surprised to find that no one had attempted to analyze the impact of the reforms in more than one jurisdiction Convinced that untangling the effects of the reforms from the effects of contextual factors required a multijurisdictional study we decided to undertake the project We quickly discovered that evaluating rape law reform in several jurisdictions would be no easy task We had decided that such an evaluation would require monthly data on the outcome of rape cases before and after the reforms were implemented as well as qualitative data on the attitudes of criminal justice officials toward the reforms Because states do not generate monthly data on case outcomes we would have to collect the data ourselves from court records maintained by individual jurisdictions To obtain an adequate number of cases for the time series analysis we would have to select our sites from large urban jurisdictions scattered throughout the United States

Rape and Criminal Justice Gary D. LaFree, 1989 *The Criminal Justice and Community Response to Rape* Joel Epstein, Stacia Langenbahn, 1994 Describes recent reforms adopted in some jurisdictions such as protecting the anonymity of the victim allowing complainants to report sexual assault even when the victim chooses not to press charges Law enforcement officials district attorneys have worked to support compensation for victims also have created victim witness advocate positions to help victims navigate the criminal justice process speed their recovery Contains a glossary resources tables *Forcible Rape* Battelle Law and Justice Study Center, 1977 *Sexual Assault* Frances P. Reddington, Betsy Wright Kreisel, 2005 This book provides an overview of the crime of sexual assault and its related issues It provides a synthesis of the most current information relating to sexual assault Authors Reddington and Kreisel approach the topic of sexual assault in a unique way by examining it from a criminal justice perspective In giving an overview of sexual assault examining its victimology discussing the sexual offender and looking at the role the criminal justice system plays this book presents a

comprehensive and thoroughly informative study of the crime The editors did a good job fitting together the different articles on this important subject in a relatively seamless manner This well written straightforward book should be easily read and understood by anyone with an interest in the subject Summing Up Recommended Choice Magazine September 2005

Introduction to Criminal Justice Callie Marie Rennison, Mary Dodge, 2024-12-24 Introduction to Criminal Justice Systems Diversity and Change Fifth Edition offers students a brief yet thorough introduction to criminal justice with up to date coverage of all aspects of the system in succinct and engaging chapters Authors Callie Marie Rennison and Mary Dodge weave four true criminal case studies throughout the book capturing students attention with memorable stories that illustrate the real life pathways and outcomes of criminal behavior and victimization These case studies provide a fresh exciting and practical view of the interconnected criminal justice system The text also explores often overlooked topics such as victims terrorism white collar crime diversity and the role of the media providing a more complete understanding of the system s complexities *Women in the Criminal Justice System* Tina L. Freiburger, Catherine D. Marcum, 2015-07-29 This book provides a rare up to date examination of women both as offenders and employees in the criminal justice system It presents the current state of females in the system through contributions by expert authors It discusses the criminal justice system s reaction to women as well as the successes and failures of its responses and current and future consequences It outlines the history of women in the context of the criminal justice system discusses specific women s issues in focused chapters and highlights key concepts statistics and legislation Each chapter ends with discussion questions to enhance understanding *Forcible Rape: A national survey of the response by police* Battelle Law and Justice Study Center, 1977

Criminal Justice in America Carla Lewandowski, Jeff Bumgarner, 2020-11-17 This authoritative set provides a comprehensive overview of issues and trends in crime law enforcement courts and corrections that encompass the field of criminal justice studies in the United States This work offers a thorough introduction to the field of criminal justice including types of crime policing courts and sentencing landmark legal decisions and local state and federal corrections systems and the key topics and issues within each of these important areas It provides a complete overview and understanding of the many terms jobs procedures and issues surrounding this growing field of study Another major focus of the work is to examine ethical questions related to policing and courts trial procedures law enforcement and corrections agencies and responsibilities and the complexion of criminal justice in the United States in the 21st century Finally this title emphasizes coverage of such politically charged topics as drug trafficking and substance abuse immigration environmental protection government surveillance and civil rights deadly force mass incarceration police militarization organized crime gangs wrongful convictions racial disparities in sentencing and privatization of the U S prison system **Rape, Victims, and Investigations** Shana L Maier, 2014-06-13 Despite changes to laws and attitudes rape continues at epidemic levels worldwide As gatekeepers to the criminal justice system law enforcement officers are important to the processing of rape

cases and their interactions with victims can potentially affect the victim's reaction to and recovery from rape. In order to better understand rape and the processing of cases through the criminal justice and legal systems, *Rape Victims and Investigations* explores the unique perceptions and experiences of detectives who respond to rape victims and investigate rape cases. The detective's investigation is the foundation of the prosecution's case; the book considers factors that contribute to the challenging nature of rape investigations, such as lack of evidence or a clear, credible victim statement. Detectives' perceptions of victims' revictimization by the criminal justice and legal systems are also explored. The book also looks at specific causes of police stress and burnout related to working rape cases, financial struggles faced by departments, and ways to meet these challenges. By integrating previous research within the context of rich interview data, *Rape Victims and Investigations* provides deep insight for readers and will contribute to the continued improvement of treatment of victims by the criminal justice system. The book will be essential reading for academics, students, law enforcement officers, those who provide services to sexual assault victims, and victims themselves.

Handbook of Criminal Justice Administration M.A. DuPont-Morales, Michael K. Hooper, Judy H. Schmidt, 2000-09-21. This work addresses perspectives on the judicial, correctional, and law enforcement components of the criminal justice system, including history, ethics, prevention, intervention, due process, marginalized populations, international consequences, and demands for professionalism. It also examines critical variations in the criminal justice systems of countries worldwide.

Criminal Justice Politics and Women Claudine Schweber, Clarice Feinman, 2018-10-24. Experts provide important insights on the intent and subsequent outcome of legislated change at the national and local levels in the area of criminal justice and women. Here is a revealing examination of the impact of judicial and legislative changes on the treatment of female victims and offenders in the areas of corrections, domestic violence, sexual assault, and prostitution. Look at actual case studies; demonstrates that the condition of women's lives will not be changed merely by going to court or getting a new law. This is an enlightening book for readers who may believe that discrimination can be eliminated through legal changes alone.

Public Opinion and Criminal Justice Jane Wood, Theresa A. Gannon, 2013-05-13. Public opinion is vital to the functioning of the criminal justice system, but it is not at all clear how best to establish what this is and what views people have on different aspects of criminal justice and the criminal justice system. Politicians and the media often assume that the public wants harsher, tougher, and longer sentences, and policies may be shaped accordingly. Detailed research and more specific polling often tell a different story. This book is concerned to shed further light on the nature of public views on criminal justice, paying particular attention to public opinion towards specific types of offenders, such as sex offenders and mentally disordered offenders. In doing so, it challenges many enduring assumptions regarding people's views on justice and confronts the myths that infect our understanding of what people think about the criminal justice system.

The Victim of Rape Lynda Lytle

Holmstrom,2017-09-29 This unprecedented in depth account of how our major institutions respond to the crime of rape is the first empirical study of rape victims in the United States as they come into contact with those who staff our police stations hospitals and courthouses As this engrossing study makes clear rape does not end with the assailant s departure the profound suffering of the victim can be diminished or heightened by the response of these institutions The authors provide direct on the scene reports of how rape victims confront and endure the often devastating effects of institutional processing Their work is based on first hand observations personal interviews and case histories that document the rape victim s plight and includes tables that present all research findings in easy to grasp numerical terms The authors note changes now taking place and argue that further institutional changes must be made to delegitimize rape in our society The new introductory essay locates The Victim of Rape within the context of four lines of research studies looking at the criminal justice system processing of such cases the connection of rape to everyday life social structural and ideological support for rape and strategies for prevention *Expanding knowledge in criminal justice* Ronnie Mills,1984 **Crime, Criminal Justice, and the Evolving Science of Criminology in South Asia** Shahid M. Shahidullah,2017-03-30 Written by some of the most notable criminologists of South Asia this book examines advances in law criminal justice and criminology in South Asia with particular reference to India Pakistan and Bangladesh The edited collection explores on the basis of surveys interviews court records and legislative documents a wide range of timely issues such as the impacts of modernization and globalization on laws combating violence against women and children evolution of rape laws and the issues of gender justice laws for combating online child sexual abuse transformation in juvenile justice integration of women into policing the dynamics of violence and civility and the birth of colonial criminology in South Asia Students of criminology and criminal justice practitioners policy makers and human rights advocates will find this distinctive volume highly valuable
