After Dark Jose Manuel A. Santos, 2023-11-04 The night caretaker in a local cemetery became witness to a horrifying event The body of a mutilated woman fell from the sky The caretaker investigates only to be terrified by childish laughter from the woods that bordered the cemetery In his terror ran for his life ending up in the custody of the local police station The case fell upon the lap of Senior Inspector Manny Panganiban who was puzzled by the case and suspected that the man in custody may both be the witness and the culprit The only thing that troubled him was the absence of blood Thus ordered PO1 Eunice Salve to research the same MO or anything that can shed light upon the unique nature of the case She came upon an article by a certain Dr Javier that she assumed can help in the investigation A meeting with Javier revealed certain aspects about the community that was not common knowledge About similar mutilations in the past all unsolved and about a house that everyone seems to have forgotten Then people began to disappear Ghostly manifestations occurred And there is the deaf mute that grew up in the fringes of society distrusting people and their good intentions until he met Jennifer The illusory feelings he had for her was shattered and he withdrew from society Alone and close to death he was saved by a malevolent creature that offered him life only to find out that not all second chances are worth taking With things getting out of hand and with the approach of a typhoon Panganiban Salve and Javier along with others banded together to solve the mystery find the abductees and put the case to rest Unaware that they were about to clash with dark forces that had roamed the land for centuries and to a showdown beneath the bowels of an old house that nobody knew existed Some will die some will survive others will find redemption and renewal
