- The Only Way is Up - My Story Chloe Sims,2013-07 Say the name Chloe Sims and most people think of the hugely entertaining bubbly and glamorous Essex girl on the hit TV show The Only Way is Essex But there is more to Chloe than viewers see on the TV and the drama doesn t stop when the camera stops rolling Just two years ago Chloe was a single mother struggling to make ends meet doing a string of jobs she hated and wondering if she would ever find happiness Then at the beginning of 2011 after joining the cast of TOWIE she won the hearts of the nation with her funny ways and frank confessions Since joining the cast her life which has been anything but ordinary is now a whirlwind of glitzy parties and jet set holidays but life hasn t always dealt Chloe a good hand Her story is one of triumph over adversity with plenty of laughs along the way From her turbulent childhood where she was raised by a neighbor after her mother abandoned her to battling with bullies and struggling with an eating disorder to the magical moment when she met the man of her dreams But even the path to true love hasn t run smoothly for Chloe and she has experienced plenty of ups and downs along the way Finally things are on the up and the future is looking bright for the 30 year old Essex girl In Chloe Sims The Only Way Is Up Chloe finally sets the record straight speaking frankly about the plastic surgery she s had done what it was really like working for Playboy France and how she coped with her rollercoaster ride to stardom with plenty of shocking revelations and secrets she s never told until now This is her story and it s not like any other you will read Pacific Coast Fanciers' Monthly ,1924 **Renni the Rescuer** Felix Salten,2013-06-04 From the author of Bambi this story of a boy his dog and their bravery reaches a new generation of readers with a fresh look George has always wanted a dog so when he picks up small Renni the runt of a litter of German Shepherd puppies he immediately falls in love As Renni grows George begins to teach him and soon Renni is able to do remarkable things When a trainer suggests Renni become a rescue dog George knows it s a perfect fit for his pet Soon Renni is able to find anyone in any situation Then the war that has been looming finally begins and Renni and George enlist They are able to help many soldiers during training camp but when they are tested in the actual battlefield can the two friends hold their ground Or are they unprepared for the trials ahead **The Ground Has Shifted** Walter Earl Fluker,2018-10-02 Honorable Mention Theology and Religious Studies PROSE Award A powerful insight into the historical and cultural roles of the Black church If we are in a post racial era then what is the future of the Black Church If the US will at some time in the future be free from discrimination and prejudices that are based on race how will that affect the church s very identity In The Ground Has Shifted Walter Earl Fluker passionately and thoroughly discusses the historical and current role of the Black church and argues that the older race based language and metaphors of religious discourse have outlived their utility He offers instead a larger global vision for the Black church that focuses on young Black men and other disenfranchised groups who have been left behind in a world of globalized capital Lyrically written with an emphasis on the

dynamic and fluid movement of life itself Fluker argues that the church must find new ways to use race as an emancipatory instrument if it is to remain central in Black life and he points the way for a new generation of church leaders scholars and activists to reclaim the Black church's historical identity and to turn to the task of infusing character civility and a sense of community among its congregants
