Long Century's Long Shadow Kenneth S. Calhoon, 2021-06-25 The Long Century's Long Shadow approaches German Romanticism and Weimar cinema as continuous developments enlisting both in a narrative of reciprocal illumination The author investigates different moments and media as connected phenomena situated at alternate ends of the long nineteenth century but joined by their mutual rejection of the neo classical aesthetic standard of placid and weightless poise in numerous media including film painting sculpture prose poetry and dance Connecting Weimar filmmaking to Romantic thought and practice Kenneth S Calhoon offers a non technological aesthetic genealogy of cinema He focuses on well known literary and artistic works including films such as Nosferatu Metropolis Frankenstein and Fantasia the writings of Conrad Kafka Goethe and Novalis and the paintings of Caspar David Friedrich one of the leading artists of German Romanticism With an eye to the modernism of which Weimar filmmaking was a part The Long Century's Long Shadow employs the Romantic landscape in poetry and painting as a mirror in which to regard cinema

Casting a Long Shadow R. Wayne Tanner, 2010-09-16 This is but a glimpse at that struggle and how it not only impacted men and their families but a way of life that can still be seen in many parts of Florida if one is willing to take time and look Cowboys still saddle their horses and drive to an old set of cow pens and spend many an hour atop their favorite horse gathering working and selling a new calf crop They string miles of barbed wire and drive thousands of staples in fence rows built by their grandfathers and great grandfathers To many thou it is lost and only a fading dream Deep in the soul of Florida lies a great heritage called the True Florida Cracker Not the urbanized rednecks that can afford a pair of Wrangler jeans a shiny belt buckle a fancy felt hat and black pointed toed cowboy boots but the true country boy and girl Those who know the reason why you carry a pocket knife how to keep it sharp and not cut yourself Those who can appreciate a good pot of collard greens without the sweet cornbread you buy in a box Those who are not afraid of taking a firm hold on a catfish as it flops around and taking out the hook without getting stuck To those who had actually stepped into a fresh pile of cow crap and knows what it smells like and in a way appreciates the experience To those who were taught to say yes mam and no sir and remember what respect is To those who say to themselves that they were born in the wrong time
