Long Time Dead:

Long Time Dead Susan McIver, 2022-08-11 How did a conservative simple living retired church custodian come to die from a gunshot wound to the head Was it murder or suicide On April 19 1957 Ralph Wilson Snair was found dead in a rented vehicle at the side of Highway 50 two miles east of the small town of Walton Kansas On Ralph s lap lay an untraceable revolver wiped clean of fingerprints his hat sat backwards on his head and all his pockets were turned out Could he have been murdered But if so who killed Ralph and why Ralph s great niece Susan McIver an award winning scientist and writer and a former coroner investigates the mystery around his unsolved death six decades later Combing through old postcards newspaper clippings notes and police and autopsy reports for any clues as to what might ve happened and why Susan reveals an intriguing story one of secrecy stigma and the pressure to conform While untangling the mystery of her great uncle s death in *Long Time Dead* Susan McIver masterfully combines an in depth look at police procedure in criminal investigations and cold cases with changes in societal and medical attitudes over the past 150 years *Long Time Dead* Sally Spencer, 2013-11-01 The latest Detective Chief Inspector Woodend mystery When Captain Robert Kineally went missing from Haverton American Army base in Devon in 1944 it was generally assumed he had lost his nerve and deserted But now twenty years after the War ended a body found on the near derelict base seems to tell an entirely different story DCI Charlie Woodend has strong reasons for not wanting the case As a sergeant on secondment to the Americans he served at Haverton himself left it only a few days before the murder and he is personally involved However he is given the case and it is soon plain that while the British Government expects one outcome the American Government will be happy with nothing less than the opposite *A Long Time Dead* Mickey Spillane, Max Allan Collins, 2016-09-06 With an introduction by Max Allan Collins The first collection of stories starring legendary Mike Hammer the toughest private investigator in history It starts with a few near accidents A car almost swipes Mike Hammer when he s crossing the street A junkie robs the notoriously hardboiled detective at knifepoint A fight on a subway platform comes close to pushing him in front of a train While any one of these could be a coincidence together they make a conspiracy one that Hammer will have to end in order to survive And when it comes to finishing something or someone nobody does it better than Hammer One of the twentieth century s bestselling American mystery authors Mickey Spillane changed noir fiction forever when he loosed Mike Hammer on the world Now these eight short stories collected and finished by Max Allan Collins show that Spillane is still capable of redefining the genre The stories in *A Long Time Dead* have received numerous accolades including an Edgar Award nomination two International Association of Media and Tie in Writers Scribe Awards and a Private Eye Writers of America Shamus Award *A Long Time Dead* Samara Breger, 2023-05-16 NAMED BY THE NEW YORK TIMES AS ONE OF THE 10 BEST ROMANCES OF 2023 Somewhere foggy 1837 Poppy had always loved the night so it wasn t too much of a bother to wake one evening in an unfamiliar home far from London weak and confused and plagued with a terrible thirst for blood to learn that she could no
