Queen of the Pulps Laurie Powers, 2019-09-26 Daisy Bacon the opinionated autocratic and complex editor of *Love Story Magazine* from 1928 to 1947 chose the stories that would be read by hundreds of thousands of readers each week The first weekly periodical devoted to romance fiction and the biggest selling pulp fiction magazine in the early days of the Great

Depression Love Story sparked a wave of imitators that dominated newsstands for more than twenty years. Disparaged as a love pulp, the magazine actually championed the modern girl, bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With Love Story's success, Bacon became a national spokesperson, declaring that the modern woman could have it all in love, in marriage, and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.

The Short Stories of Yūsuf Idrīs P. M. Kurpershoek, 1981 [The Short Stories of Yūsuf Idrīs](#) Kurpershoek, 2023-09-20

Arabic literature is noted for its tradition-conscious consistency and sophistication. In the classical period, poetry and prose reached a high level of refinement and attained standards which are still being applied in the modern Arab world today. The literature of the modern post-classical period is no less sophisticated, being a vibrant and flourishing expression of the continued Arabic tradition. The series *Studies in Arabic Literature Supplements to the Journal of Arabic Literature*, founded in 1971, is concerned with all kinds of literary expression in Arabic, including the oral and vernacular traditions of both the modern and the classical periods. Studies in the series can be literary, historical, analytical, or comparative in nature and can treat of individual works, authors, and genres, as well as literary traditions in a wider context. Studies dealing with the social, political, and philosophical backgrounds of Arabic literature are particularly welcome in the series. The series comprises monographs, thematic collections of articles, handbooks, textual editions, and annotated translations. Text editions are, as a rule, accompanied by a translation on facing pages; both text editions and translations should include comprehensive critical introductions which give a full and proper appreciation of the text or texts in question.

Stories of Five Decades Hermann Hesse, 2013-01-22

A Literary Titan's Evolution: Tracing Hermann Hesse's Development Through Rare and Captivating Short Stories. This collection of twenty-three stories, twenty available in English for the first time, spans nearly half a century of *Stories of Five Decades*, offering a rare glimpse into the literary evolution of Nobel Prize winner Hermann Hesse. Arranged chronologically from 1899 to 1948, these tales showcase Hesse's journey from youthful aestheticism through the realism and surrealism of his middle years, culminating in the classicism of his later works. Readers familiar with Hesse's major novels of the 1920s and 1930s will delight in discovering the author in a variety of new incarnations. Yet throughout these transformations, Hesse remains faithful to his essential self, consistently rejecting external reality in favor of an inner world born of imagination. At the heart of each story lie Hesse's own secret dreams and bitter anguish, inviting readers to explore the depths of the human psyche. *Stories of Five Decades* is a testament to the enduring power of the short story form and its ability to capture the full range of an author's literary artistry.

Written during his days as a ranchman in the Dakota Bad Lands, these two wilderness tales by Theodore Roosevelt endure today as part of the classic

folklore of the West The narratives provide vivid portraits of the land as well as the people and animals that inhabited it ever underscoring the author s abiding concerns as a naturalist Originally published in 1885 *Hunting Trips of a Ranchman* chronicles Roosevelt s adventures tracking a twelve hundred pound grizzly bear in the pine forests of the Bighorn Mountains Yet some of the best sections are those in which Roosevelt muses on the beauty of the Bad Lands and the simple pleasures of ranch life The *British Spectator* said the book could claim an honourable place on the same shelf as Walton s *Compleat Angler* The *Wilderness Hunter* which came out in 1893 remains perhaps the most detailed account of the private life of the grizzly bear ever recorded This Modern Library edition contains an introduction by historian Stephen E Ambrose author of *Undaunted Courage*
