Longing For Change:

Long Change Don Gillmor, 2016-09-06 Long Change examines the high stakes world of oil through the life and loves of one man Fleeing his violent Pentecostal father as well as a crime of his own fifteen year old Ritt Devlin leaves Texas in the early 1950s heads north and soon finds work on an oil rig on the outskirts of Medicine Hat By his early twenties he s the head of his own oil company Spanning almost seventy years Long Change examines the high stakes world of oil through the life and loves of one man following the geology and politics of the industry from Texas to the Canadian oil patch to Africa Asia and the Arctic from idealism and avarice to violence and delusion Already one of Canada s most accomplished journalists author Don Gillmor brings us an intimate unforgettable story of industry and humanity **Culture Change in Long-Term**

Care Audrey S. Weiner, Judah L Ronch, 2003-12-29 Change in the culture of long term care and the care of our elders is urgently needed This insightful book lights the way This book will inform you about the theoretical and practical applications of culture change within the institutional long term care setting It examines existing models of positive cultures emphasizing

Implementing Culture Change in Long-Term Care Elaine Jurkowski, 2013-05-28 As one who is involved in the culture change movement and is trying to review the huge volume of available resources I find it refreshing to have a book that draws it all together I highly recommend this book to administrators who are overwhelmed at the thought of implementing change in their environment The author has done an excellent job of making it seem quite possible to make culture change a reality Doody s Medical Reviews The publication of *Implementing Culture Change in Long Term Care* marks the beginning of a new era in the aging services profession This book is the Rosetta Stone of the culture change movement Dr Jurkowski s skillful blend of theory research and practice addresses the movement s most urgent needs and makes the work of culture change advocates accessible to a broader and more influential audience This book is the future in paper and ink From the Foreword by Bill Thomas MD Founder of the Eden Alternative and the Green House Project This text offers a strategic approach for promoting an active culture of change in long term care facilities for older adults and people with disabilities It discusses the philosophical framework for the delivery of care in these settings and addresses the changing landscape of our long term care population With the aim of transforming these facilities from institutional settings to person centered homelike environments the book offers administrators and practitioners numerous strategies and benchmarks for culture change and addresses tools and resources to support the culture change process The text describes how these benchmarks have been met and provides ways to address not just knowledge but also attitudes and behavior important components of a culture change strategy The book compares and contrasts current long term care paradigms the medical model the rehabilitation paradigm the independence and dignity model and strength based approaches in order to see how they facilitate or impede culture change It provides best practice examples of benchmarks to be attained along with strategies to promote this process These benchmarks and strategies are based upon the Artifacts for Culture Change Assessment Tool

developed by the Centers for Medicare and Medicaid The text describes ways to build a blueprint and strategic processes for integrating these benchmarks into a long term care setting addressing the entire process from assessment through evaluation It also provides tools enabling readers to learn from their own process via a feedback loop and includes strategies to facilitate partnerships with family staff and community Key Features Elucidates benchmarks that can be implemented in long term care settings using the Centers for Medicare Medicaid s Long Term Care Artifacts assessment tool as an intervention Focuses on care practices the environment the inclusion and integration of family and community leadership benchmarks and workplace practices Includes robust examples of best practices within each of the main artifact arenas Incorporates tools and strategies for assessing the philosophical paradigm of a long term facility that can help or hinder the culture change process Provides discussion and reflection questions and websites for additional resources Fragments of Longing Pasquale De Marco,2025-07-14 Embark on a profound exploration of longing an intrinsic part of the human experience that shapes our desires motivations and actions This comprehensive book delves into the complexities of longing examining its myriad manifestations from the ache of unrequited love to the bittersweet pangs of nostalgia Through a diverse array of perspectives and insights we uncover the transformative potential of longing revealing how it can drive us to pursue our dreams seek new experiences and forge meaningful relationships We also explore the challenges and obstacles that longing can present and offer tools and strategies for navigating these difficulties with resilience and grace With contributions from experts in psychology philosophy literature and the arts this book provides a comprehensive understanding of longing in all its forms From the timeless poetry of Rumi to the poignant music of Chopin we explore how artists throughout history have captured the essence of longing in their works offering us a glimpse into the universal human experience Join us on this journey of introspection and self discovery as we explore the depths of longing and its profound impact on our lives Through thought provoking essays personal narratives and practical exercises this book invites readers to reflect on their own experiences of longing and to cultivate a deeper understanding of this powerful emotion Whether you are seeking solace inspiration or a deeper connection with yourself and the world around you this book offers a wealth of insights and guidance Discover the transformative power of longing and learn how to harness its energy to live a more fulfilling and meaningful life If you like this book write a review Arapaho National Forest (N.F.), Roosevelt National Forest (N.F.), Pawnee National Grassland, Long Draw Reservoir Special Use Authorization ,2009 **Short-term Therapy for Long-term Change** Marion Fried Solomon,2001 Is it possible to effect deep lasting meaningful psychological change in a short period of time **Long Waves of Growth, Hegemonic Power, and Climate Change in the World Economy** Phillip Anthony O'Hara,2025-10-02 This book investigates eras of major geopolitical and socioeconomic power development relative demise and potential renewal for four major political economies It concentrates on the Dutch Golden Age of the late 1500s and 1600s British hegemony of the 1800s Pax Americana of the 1900s and Chinese potential hegemony of the 2000s as well as long

wave patterns of change over successive centuries to the present and to some degree into the future Dutch British US and Chinese economies are situated within patterns of long term successive rise and fall and fall and rise of economic growth hegemony and climate change in the world political economy including linkages between core periphery and semi periphery Patterns of multiple crises tend to appear in between hegemonic periods and climate change often undergoes complex dynamics through time while currently climate anomalies are emerging during mostly long wave downswings and polycrises in the world economy Contemporary themes of the book include the ongoing competition for world domination between the US and China the conflict over Ukraine Taiwan that some think may generate world war 3 the climate change crisis that continues to plague the world and whether the world and its major economies are likely to undergo a Golden Age into the future Chapter 7 of this book on US hegemony and long waves includes extracts of material that won the Myrdal Prize for Book of the Year Prize from EAEPE as well as Journal Article of the Year from Curtin Business School Ideas from parts of Chapter 9 emanate from a volume that won Book of the Year Award from CBS A climate change paper that won Journal Article of the Year Awards from EAEPE and CBS informed ideas that are used in several parts of this book The book outlines key stylized facts from the analysis and presents hypotheses for further investigation on the relationship between long term growth hegemony and climate change The book uses the work of Kondratiev Schumpeter and company themes in economic history modern political economy schools and the principles of political economy contingency paradigm to reformulate long wave hegemony and climate change hypotheses and empirics
