Spiritual Gardening Caroline A. Baez, 2017-03-15 What do we all seek We seek happiness Many believe that happiness eludes them and this is the cause of much suffering What if you were to discover that the key to happiness resides within you where it has always been What if you've been seeking in the opposite direction for a key that has always been in your possession a key that will release you from a prison of shadows and suffering allowing you to finally bask in the light of inner wisdom and freedom The solution lies in returning to the root of oneself by rediscovering the inner wisdom that abides in each of us Our society our culture and the frenzied world in which we live confront us with daily stimuli and external signals of who we are or should be of what we should prioritize or value and of what our aspirations and successes should model or resemble Hypnotized by a world of illusions we live a reality of half truth an ephemeral world of impermanent pleasures that disintegrate like the ethereal beauty of delicate snowflakes cascading onto the sea Guiding our focus inwardly to our silent inner space we reconnect with the inner master residing in the blooming garden of our True Self Embarking on this intimate journey and cultivating this inner path daily we find refuge in our expansive inner space where we discover the gateway to freedom from suffering and the light of true happiness The intention of this work is to guide readers to their own

inner journey to intimate reflection and to daily cultivation of all that they desire will blossom in their own lives thereby denominating this book and this practice Spiritual Gardening **Genesis: Your Journey Home, 2Nd Edition** Terry L. Newbegin,2011-04-21 Genesis Your Journey Home is a groundbreaking book that goes far beyond the usual levels of biblical interpretations and the ideas taught by religion that are difficult to understand It bypasses word definition root studies historical explanations and the ideas taught by religion that are difficult to understand but are important This book examines the first twenty five chapters verse by verse exploring and revealing the deeper metaphysical beyond the literal meaning of the text Most people know that there are multiple levels of truth contained within the Bible but until now none have brought forth the ultimate Truth hidden within the mundane semi historical writings Rather than creating new doctrines this book gently peels back ALL levels of dogmatic views to reveal the true core essence of God humanity and the nature of reality Deep within the ancient biblical text is found the true story record of creation the reason for our very existence and the history of All That IS This book is for those that are searching for authenticity purpose and a sense that truth lies somewhere beyond religious teachings but who are reluctant to discard the inherent value of scripture This book brings comfort personal empowerment a new understanding of God and fosters a renewed sense of responsibility for life It is a book whose time has come at last as it brings humanity to a deeper understanding of God and a realization of their ultimate purpose The Words of David S.C. Kim: Let Us Learn from the Past Jennifer Tanabe,2010-03-04 The speeches and writings of Dr David Sang Chul Kim early member of Reverend Sun Myung Moon s Unification Church collected and edited by Jennifer P Tanabe
