The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3) C. H. Spurgeon,2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky

Composition for the 21st 1/2 century, Vol 2 Thomas

Paul Thesen,2022-06-29 Composition for the 21st 1 2 century Characters in Animation focuses on characters and their application in animation illustration games and films It covers various technical aspects of character design and their artistic applicability This book analyzes in detail the purpose of these character design features and provides examples of their impact Emphasis is placed on each aspect and how it affects and is affected by the narrative Additionally complex case studies that assist in explaining the successful use of these concepts in films and animation are included This book is geared toward students however it is also reader friendly for professionals Composition for the 21st 1 2 century Characters in Animation s goal is to comprehend composition as an artistic tool and as a significant part of the professional character

design process Key Features Teaches the complexity of composition in the professional character design process Closes the gap between praxis and theory in character design Explains how to produce believable characters that express their narrative in the visuals Discusses the need for artistic reasoning in character design Presents case studies to assist readers in understanding the process as they progress through this book Author Bio For more than twenty years Thomas Paul Thesen's career has been about learning and understanding the complexities of art animation and image making both in still illustration drawing and photography and in the moving image He has worked in the industry as a character animator and visual development artist for companies such as Pixar DreamWorks and Sprite Animation Studios He has also taught for many years at universities across Asia the USA and the UK
