Look Me In The Eye Old Women Aging And Ageism:

Look Me in the Eye Barbara Macdonald, Cynthia Rich, 2001 This classic book deals with ageism feminism lesbian relationships and how society treats them It combines personal experience of ageing with groundbreaking feminist theory This new expanded edition includes a tribute to Barbara Macdonald by Lise Weil Barbara died at the age of 86 in June 2000 and LOOK ME IN THE EYE shows the impact her work has had on understanding women and ageing Look Me in the Eye Barbara MacDonald, Cynthia Rich, 1984 *Look Me in the Eye* Barbara Macdonald, Cynthia Rich, 1991 Spinsters Ink was founded in upstate New York in 1978 to publish feminist books In 1982 we moved to San Francisco and then merged with Aunt Lute Books out of Iowa in 1986 to become Spinsters Aunt Lute Book Company The Aunt Lute Foundation became a separate non profit publishing company in 1990 while Spinsters Ink moved to Minnesota in 1992 Today we are housed in Duluth s Building for Women with other feminist organizations dedicated to serving women Spinsters Ink publishes fiction and non fiction that deal with significant issues in women s lives from a feminist perspective books that not only name these crucial issues but more important encourage change and growth We are committed to publishing works by women writing from the periphery fat women Jewish women lesbians old women poor women rural women women examining classism women of color women with disabilities women who are writing books that help make the best in our lives more possible

Women & Aging Helen Rippier Wheeler, 1997 Guide with more than two thousand bibliographic entries and cross references It includes journal articles book chapters essays and doctoral dissertations as well as complete books *From Old Woman to Older Women* Sally Chivers, 2003 Drawing on the perspective of aging bodies in order to approach the study of contemporary Canadian women s fiction the author seeks to understand body criticism in general because elderly physical experiences lay bare crucial assumptions of thinking through the body It also investigates the mechanisms and effects of constructions of aging in order to combat the automatically negative reactions most readers have to the topic of old age

Faces of Women and Aging Ellen Cole, Esther D Rothblum, Nancy C Davis, 2014-06-03 Discover the diverse ways aging women attempt to deal with the universal challenges of loss sickness and death along with the problems of being old women in a society that values women mainly as sexual partners or producers of children Old women are often seen as poor powerless and pitiful in our sexist and youth oriented society The truth is that women age much more successfully than do men and they are increasingly in the majority as our population ages These truths and others are presented in *Faces of Women and Aging* a collection written by women a number of whom are themselves older women who bring their unique life experiences and personalities to the topic This uplifting book emphasizes that middle and old age are merely stages of growth and development not just seasons of loss and decline as the end approaches A wealth of topics are covered in *Faces of Women and Aging* that broaden the reader s awareness of the problems of women and aging including how to maintain self esteem in the face of sexism ageism and severe illness the problems of being single or divorced in the later years the

problems of maintaining a good body image for older women in a society which values the young and the beautiful the additional difficulties of minority women specifically lesbians and native American women increased dependency brought on by illness and loss of partners *Faces of Women and Aging* combines personal narratives that serve as reminders of the human beings behind statistics and case studies with theoretical observations which help therapists assist older women cope with the daily hardships as well as the more catastrophic problems of aging **Violence Against Older Women, Volume I**

Hannah Bows,2019-06-03 This book brings together international research from scholars and activists on the forms of violence that older women experience into a unique comprehensive two volume set This first volume consolidates the research on the forms causes and extent of different forms of violence against older women It considers the theoretical limitations of our understandings and charts the gaps in empirical and theoretical research in this area and how this has hindered effective policy and practice responses to violence against older women Taken together this volume offers an important starting point from which future research can draw to address the gaps in knowledge and evidence It also highlights issues that are particular to older women s experiences of violence compared with younger women It highlights gaps in existing research and suggests a future research agenda and implications for practitioners It will be of interest to researchers in social and health care gerontology sociology and social policy feminist research and criminology *The Other Within Us* Marilyn Pearsall,2018-03-09 Feminist women bequeath to us a powerful critique of our society s obsession with beauty and impossible body ideals Having refused makeup high heels and short skirts in their youth these women are now entering the most stigmatized stage in a woman s life old age As she becomes the older woman the feminist s rejection of beauty standards and her ability to locate self worth is being challenged How will feminists respond to the issues raised in this phase of their lives By confronting the issues unique to older women in our culture and society these authors redress the neglect and isolation experienced within contemporary feminism and gerontology Ultimately the goal of the book is to inspire the aging woman to more easily embrace the older other within her **Learning to Be Old** Margaret

Cruikshank,2013-02-14 This work examines what it means to grow old in America today The book questions social myths and fears about aging sickness and the other social roles of the elderly the over medicalization of many older people and ageism Here the author proposes alternatives to the ways aging is usually understood in both popular culture and mainstream gerontology She does not propose the ideas of successful aging or productive aging but more the idea of learning how to age Featuring new research and analysis the third edition of this text demonstrates more thoroughly than the previous editions that aging is socially constructed The book focuses on the differences in aging for women and men as well as for people in different socioeconomic groups The author is able to put aging in a broad context that not only focuses on how aging affects women but men as well Key updates in the third edition include changes in the health care system changes in how long older Americans are working especially given the impact of the recession and new material on the brain and mind body

interconnections The author challenges conventional ideas about aging and brings forth some new ideas surrounding aging in America today *Communication and Women's Friendships* Janet Doubler Ward,JoAnna Stephens Mink,1993 Eleven contributed essays discuss a variety of literary texts against a background of the historical and cultural aspects of women s friendships The listings of works cited and primary works discussed do not adequately substitute for an index Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR *Age Matters* Toni M. Calasanti,Kathleen F. Slevin,2013-10-11 This volume of original chapters is designed to bring attention to a neglected area of feminist scholarship aging After several decades of feminist studies we are now well informed of the complex ways that gender shapes the lives of women and men Similarly we know more about how gendered power relations interface with race and ethnicity class and sexual orientation Serious theorizing of old age and age relations to gender represents the next frontier of feminist scholarship In this volume leading national and international feminist scholars of aging take first steps in this direction illuminating how age relations interact with other social inequalities particularly gender In doing so the authors challenge and transform feminist scholarship and many taken for granted concepts in gender studies **Gerontology** Madonna Harrington Meyer,Elizabeth A. Daniele,2016-04-11 Written by established and emerging leaders in a broad array of disciplines this two volume set provides undergraduate and graduate students scholars professionals and policymakers with an overview of the field of aging that examines the social landscape as well as key changes challenges and solutions The people who make up the rapidly growing population of Americans over age 65 are changing and as a result our nation will change This shift presents new issues controversies and challenges that affect health wellness welfare retirement politics and economics This two volume work examines where we are and where we are headed paying careful attention to the differential impacts of gender race class marital status and other social variables It considers key changes in demographics old age policies families work and death and dying Volume one covers an array of demographic issues policies and politics highlighting how factors such as gender and race shape families income retirement immigrants and veterans across the life course The second volume covers education religion volunteering exercise nutrition and health care policies across the life course Topics addressed include the old age welfare state the extension of retirement age home care care work nursing home care end of life planning and euthanasia *The Cambridge Handbook of Age and Ageing* Malcolm L.
