We Have Come Through!** Lara Feigel, 2022-08-18 Her intensity and intimacy are engaging Blake Morrison Guardian A lovely urgent serious book Tessa Hadley Refreshing and unexpected Daisy Hay Financial Times Brilliantly interweaving literary criticism biography and memoir *Look We Have Come Through* is a captivating exhumation of an author and a compelling manifesto for exposing ourselves to difficult and dangerous views Lara Feigel listens to birds outside her window their circling strident calls and thinks of D H Lawrence It is the spring of 2020 and as the pandemic takes hold she locks down in rural Oxfordshire with her partner her two children and that most explosive of writers Proceeding month by month through the year she sets out to start again with Lawrence to find vital literary companionship to use him as a guide to rural living and even unexpectedly to child rearing to find a way through his writing to excavate the modern world she feels he helped bring into being Tracing the arc of Lawrence's life and delving deep into his writings she confronts his anger his passion his tumultuous vitality In the process she faces some of today's most urgent dilemmas from secular religion to the climate crisis from sex and sexuality to feminism's ideas about motherhood And as she watches the seasons change alongside Lawrence Feigel finds the rhythms of her own life shifting in unexpected ways **Look! We Have Come Through!** D. H. Lawrence, 2022-09-16 D H Lawrence's *Look We Have Come Through* is a profound exploration of human relationships and existential introspection articulated through his distinctive lyrical style Written in the aftermath of World War I this collection of poems reflects Lawrence's concerns with the complexities of love identity and the search for personal truth amid a rapidly changing world The work intricately weaves a tapestry of emotional depth and sensuality often embracing the tumultuous interplay between nature and spirit thereby situating itself within the modernist literary tradition that sought to redefine human experience in the wake of societal upheaval Lawrence a pivotal figure in early 20th century literature drew upon his own rich tapestry of experiences including his tumultuous childhood and the impacts of industrialization to inform his writing The author's assertive rejection of conventional social norms and his quest for individual authenticity can be traced through his life experiences and philosophical explorations which undoubtedly influenced the themes present in this collection His keen observations of the human condition resonate throughout the poems offering a raw and unfiltered examination of emotional states *Look We Have Come Through* is recommended for readers seeking not only literary beauty but also a deeper understanding of the human spirit in times of crisis Lawrence's evocative language and insightful examination of personal and collective struggle invites readers into a reflective journey making this collection a timeless piece essential for both literary enthusiasts and those contemplating the essence of connection and existence **The Poems** D.H.
