**'Hell': A Hard Look at a Hard Question** David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and

**Searching For God And Finding Allah** Gene Netto, 2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur'an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto

**Faith, Hope and Clarity: A look at Biblical and Situation Ethics** Gordon Kainer, 2012-03-24 Truthfulness Morality Ethics Christians face fundamental questions regarding deep issues and everyday problems Are there situations in life where obedience to God's law is not the most practical solution Is lying always wrong Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God's law The author endeavors to show how disregard for divine law though seemingly attractive reasonable and practical is untenable The book reveals how a situationalist follows a misguided ego rather than an objective standard Whether we manipulate others to suit our own purposes lie to avoid embarrassment or commit a minor indiscretion it's just a quick fix something that only lasts for a season Discover how the eye of faith adheres to God's directives unblinded by sin's attractive glow it contemplates a lifetime it considers eternity

Searching the Soul of the College and University in America Stephen J. Nelson, 2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in America the creeds and convictions constituting the beliefs

and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good
