Sykes,2021-05-04 What if you could save Unicorn Island Unicorn Academy is back in this brand new magical subseries about the environment where everyone is paired with their very own unicorn Readers will love the eco friendly themes in this spin off of the wildly popular Unicorn Academy series Lily is so excited to start Unicorn Academy and learn how to be a guardian of Unicorn Island She and her unicorn Feather can t wait to make friends and keep the island safe But then strange purple tornadoes begin hitting villages around the school Can Lily and Feather stop the tornadoes and save Unicorn Academy Don t miss any books in this magical series 1 Lily and Feather 2 Phoebe and Shimmer 3 Zara and Moonbeam Thinking about Things Mark Sainsbury,2018-05-03 In the blink of an eye I can redirect my thought from London to Austin from apples to unicorns from former president Obama to the mythical flying horse Pegasus How is this possible How can we think about things that do not exist like unicorns and Pegasus They are not there to be thought about yet we think about them just as easily as we think about things that do exist Thinking About Things addresses these and related questions taking as its framework a representational theory of mind It explains how mental states are attributed what their aboutness consists in whether or not they are relational and whether any of them involve nonexistent things The explanation centers on a new theory of what is involved in attributing attitudes like thinking hoping and wanting These attributions are intensional some of them seem to involve nonexistent things and they typically have semantic and logical peculiarities like the fact that one cannot always substitute one expression for another that refers to the same thing without affecting truth Mark Sainsburys new theory display theory explains these anomalies For example substituting coreferring expressions does not always preserve truth because the correctness of an attribution depends on what concepts it displays not on what the concepts refer to And a concept that refers to nothing may be used in an accurate display of what someone is thinking **Unicorn Valley (Secret Kingdom #2)** Rosie Banks,2014-01-28 Enter a magical world full of friendship and fun Ellie Summer and Jasmine are excited to visit the Secret Kingdom once again And this time they are traveling as Very Important Friends of King Merry who needs their help His wicked sister Queen Malice has hidden a thunderbolt in Unicorn Valley Can the girls help their new unicorn friends save the magical land and earn their golden horns **The DeKalb Literary Arts Journal** ,1969
