Here are courtships and legacies the worlds of literature theater and the popular press the paradoxes of temperament and the constraints of custom the clash of conscience and desire Stylistically the stories allowed James to experiment with tones and devices guite different from his novels dramatic plot twists and surprise endings swift pacing and ebullient humor The brilliance of his technical command allowed him to transform the tiniest of suggestions a fleetingly observed gesture an anecdote dropped at a dinner party into fiction remarkable for its lambent surfaces and intricate psychological counterpoint.
