Grace Les D. Maloney Ph.D.,2021-07-29 This brief sharing of my experiences as an active duty and reserve Army chaplain has been years in the making While there are far more joyful memories than sorrow filled memories the latter are painful and some of them were not comfortable to revisit especially the memories involving families who lost their soldier The time frame for this story is my service as an Army Reserve chaplain from 1991 2013 including over seven years on active duty It has been my observation that a majority of the general public and in fact a lot of military service members do not understand what a military chaplain does other than the insights provided by the TV series M A S H and the character of Father chaplain Mulcahy My hope in publishing this book is that people will gain a deeper insight into and appreciation for the work of military chaplains my brothers and sisters in ministry The Swiss Cheese Theory of Life Judith Belmont,Lora Shore,2012 The Swiss Cheese Theory of Life is a book about Resiliency Using Swiss Cheese as a metaphor for life itself we explore ways to get through the holes rather than get stuck in them Swiss is not like any other cheese and neither are you This book will give you an opportunity to learn quick easy and effective skills that will last a lifetime Take a bite into The Swiss Cheese Theory of Life and experience a new and better way of living right now **Jews and Judaism in 21st Century** Rabbi
