THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book *The beautiful illusion of being in love* is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love is an experience that any human being must see with its own soul It can be a beautiful experience an illusion or a beautiful illusion The book is more like a collection of poems but the writer is not knowing to write poetry but only essays Trying to define love in many ways the essays speak about the beautiful illusion as part of the life maybe the most important part Defining is done in a micro and macro way but the love is always seen as something very beautiful The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view Enjoy it

PHILOSOPHY OF NOTHING Adrian Gabriel Dumitru, The book *PHILOSOPHY OF NOTHING* is a collection of essays that are trying to send the message that in a relationship you can be happy even if you don't have a real relationship together in a classical way but also be unhappy when you have everything together Having everything but actually having nothing having nothing but actually having everything is an idea that we should meditate on it We live in a world of unhappy marriages that should be totally redefined but actually are dying little by little day by day with no change from any of the 2 partners Waiting for NOTHING for years doing NOTHING but expecting everything from the other side Love is not math and will never be Love is not a business and will be never be *Philosophy of NOTHING* is trying to define the beautiful side but also the dark side of the love stories The book does not have any architecture and is just a collection of essays And maybe the only message of the book is quite simple to be happy you probably need NOTHING but enjoy the present moment with the person you are in the story Daring to do it you don't need anything cause you actually have everything the love story itself

Lurid & Cute Adam Thirlwell,2025-09-23 A dreamy and adrenaline fueled new novel from a two time Granta Best Young Novelist Lurid Cute is a kind of machine for the reader s corruption It opens with all the things we ve

come to expect of Adam Thirlwell the playfulness of language the way the mandarin wit line by line consorts with grisly or louche material as Jeffrey Eugenides has said when the narrator wakes confused in a seedy hotel room He has had the good education and also the good job Together with his wife and dog he lives at home with his parents But then the lurid overtakes him a chain of events that feels to those inside it narcotic and neurotic like one long and terrible descent complete with lies deceit and chicanery and including in escalating order one orgy one brothel and a series of firearms disputes Lurid Cute balances the complexity of an interior world our hero's apparently innocent obsessions with food old movies and all the gaudy shoddy building blocks of pop culture with a picaresque plot delivered with expert insidious pacing For very possibly this is the story of a woebegone and global generation And our hero the sweetest narrator in world literature also may well be the most fearsome It's the most sophisticated and gruesome novel from an author celebrated for his precocious talents and it will leave you feeling like you've been on one hell of a bender *The Concept of the Beautiful* Agnes

Heller, 2012-02-01 The main purpose of this book is to explicate the problematic relationship between the heterogeneity of what is experienced as beautiful and the homogeneity of the conceptualization of that experience or attempt at such a conceptualization in the era of modern philosophy While the heterogeneity of what is experienced as beautiful was permitted and indeed celebrated in the dominant ancient conception for example in the Symposium and Phaedrus of Plato the need for homogenization in the later appropriation of Plato and in the Enlightenment period relegated the beautiful to the privileged domain of artworks In her analysis Agnes Heller provides a unique and significant emphasis on the original life content of the experience of the beautiful which becomes lost in the modern system of the arts This book details the history of the concept of the beautiful starting with what Agnes Heller distinguishes between the warm metaphysics of beauty and the cold one inspired by Plato's Janus faced relationship to beauty and ending with a fragmented yet hopeful vision propagated by Friedrich Nietzsche Walter Benjamin and Theodor W Adorno among others In between these two historical parentheses the metaphysical Plato on one hand and the post metaphysical Nietzsche Benjamin and Adorno on the other hand lay a plenitude of figures and intellectual developments all of which contributed to the demise of the concept of the beautiful in the Western metaphysical tradition The most important of these figures and developments are examined in this book
