Lovers On The Nile The Incredible African Journeys Of Sam And Florence Baker:

Lovers on the Nile Richard Hall, 1980-01-01 *To the Heart of the Nile* Pat Shipman, 2024-06-11 In 1859 at age fourteen Florence Sz sz stood before a room full of men and waited to be auctioned to the highest bidder But slavery and submission were not to be her destiny Sam Baker a wealthy English gentleman and eminent adventurer was moved by compassion and an immediate overpowering empathy for the young woman and braved extraordinary perils to help her escape Together Florence and Sam whose love would remain passionate and constant throughout their lives forged into literally uncharted territory in a glorious attempt to unravel a mysterious and magnificent enigma called Africa A stunning achievement *To the Heart of the Nile* is an unforgettable portrait of an unforgettable woman a story of discovery bravery determination and love meticulously reconstructed through journals documents and private papers and told in the inimitable narrative style that has already won Pat Shipman resounding international acclaim *Adventure in Africa* Charles Partee, 2000 The story of Don McClure describes five decades of adventurous commitment to serving some of the most primitive people of Sudan and Ethiopia in the middle years of the 20th century The lively narrative of life among the Shulla Nuer Dinka Anuak and Somali reads like a well crafted fiction *Adventure in Africa* is a winsome and challenging account of a wonderfully human incredibly brave relentlessly energetic and completely happy man who devoted half a century to East Africa when he was shot to death in 1977 *Quest For The Jade Sea* Pascal James Imperato, 2018-02-12 In this fascinating story of colonial competition around Lake Rudolf a remote body of water in northern Kenya Pascal James Imperato examines the political and diplomatic aspects of colonial competition for the lake as well as the many expeditions that traveled there Although the chief competitors for the lake included the British Italians the French Russians and Ethiopians its colonial fate was decided by Great Britain and Ethiopia The role of Ethiopia as a late nineteenth century colonial power unfolds as Imperato provides unique insights and analyses of Ethiopian colonial policy and its effects on the peoples who inhabited the region of the lake The last of the major African lakes to be visited by European travelers in the late nineteenth century Lake Rudolf lies in the eastern arm of the great Rift Valley in present day northern Kenya near the Ethiopian border Also known as Lake Turkana Lake Rudolf is a large saltwater body two hundred miles long and forty miles wide Fed by the Omo River that flows south from the Ethiopian highlands it is surrounded by an inhospitable landscape of extinct volcanoes wind driven semidesert and old lava flows Because of the greenish hue of its waters it has long been called the Jade Sea *Quest for the Jade Sea* examines the fascinating story of colonial competition around this remote lake Pascal James Imperatos account yields important insights into European colonial policies in East Africa in the late nineteenth century and how these policies came into conflict with a powerful indigenous and independent African state Ethiopia which itself was engaged in imperial expansion Although the chief competitors for the lake included the British Italians the French Russians and Ethiopians its colonial fate was decided by Great Britain and Ethiopia The role of Ethiopia as a late nineteenth century colonial power unfolds as Imperato

provides unique insights and analyses of Ethiopian colonial policy and its effects on the peoples who inhabited the region of the lake As well as examining the political and diplomatic aspects of colonial competition for Lake Rudolf Quest for the Jade Sea focuses on the expeditions that traveled there Many of these were the field expressions of colonial policy others were undertaken in the interest of scientific and geographical discovery Whatever the impetus their success required courage and much suffering on the part of those who led them Whether as willing agents of larger colonial designs soldiers intent on promoting their military careers or explorers who wished to advance scientific knowledge expedition leaders left behind not only fascinating chronicles of their experiences and discoveries but also parts of the larger story of colonial competition around an East African lake

The Nile John A. Shoup, 2017-05-12 This book provides an avenue for students to explore the Nile the world's longest river and better understand its larger role in society in the past present and future The Nile River has been the most important natural resource for Egyptians and other Africans who live along its shores for thousands of years bringing life to an otherwise arid and bleak desert region Without the Nile civilizations in Egypt could not have achieved such success The physical cultural religious and political impacts of this mighty riverway are enormous This one volume encyclopedia explores a breadth of topics related to the Nile River from ancient irrigation techniques to 19th century exploration and from current environmental controversies to concerns regarding man made Lake Nasser Readers will be able to explore beyond the physical aspects of the world's longest river to achieve an understanding of the Nile River's larger role in society After a preface and introduction that provides general background information on the source tributaries and mouth of the Nile the encyclopedia presents thematic essays that cover topics such as the Nile's physical geography history environmental issues and controversies culture religion and legend and politics More than 100 entries cover key individuals specific locations geology and structure significant expeditions gods and deities and folklore related to the Nile In addition the work provides an appendix of primary document excerpts from explorers journals and more recent legislation on damming as well as an appendix of place names interesting sidebars and a helpful chronology of key events

Emma's War Deborah Scroggins, 2011-11-23 Emma McCune's passion for Africa her unstinting commitment to the children of Sudan and her youthful beauty and glamour set her apart from other relief workers from the moment she arrived in southern Sudan But no one was prepared for her decision to marry a local warlord a man who seemed to embody everything she was working against and to throw herself into his violent quest to take over southern Sudan's rebel movement With precision and insight Deborah Scroggins who met McCune in Sudan charts the process by which McCune's romantic delusions led to her descent into the hell of Africa's longest running civil war Emma's War is at once a disturbing love story and an up close look at Sudan a world where international aid fuels armies as well as the starving population and where the northern based Islamic government backed by Osama bin Laden is locked in a war with the Christian and pagan south over religion oil and slaves A timely revelatory account of the nature of relief work of the men and women who choose to carry it out and of one woman's

sacrifice to its ideals **Fortunes of Africa** Martin Meredith,2014-09-11 In this vast and vivid panorama of history Martin Meredith bestselling author of *The State of Africa* follows the fortunes of Africa over a period of 5 000 years With compelling narrative he traces the rise and fall of ancient kingdoms and empires the spread of Christianity and Islam the enduring quest for gold and other riches the exploits of explorers and missionaries and the impact of European colonisation He examines too the fate of modern African states and concludes with a glimpse into their future This is history on an epic scale **Women Adventurers, 1750-1900** Mary F. McVicker,2015-05-07 The past quarter century has seen a number of biographies and anthologies on women travelers but to date there has been little comprehensive reference work done on the travelers themselves Some of the women were eccentric many were very adventurous some were in search of a different world British women make up the largest portion of the book s focus these particular adventurers being backed in many cases by family money scientific inquiry and the ready availability of the British seafaring tradition Entries include the woman s family background her educational history and a summary of her world travels with in many cases evocative extracts from their writings many are literary gems Lost and Now Found: Explorers, Diplomats and Artists in Egypt and the Near East Neil Cooke,Vanessa Daubney,2017-07-24 Long distance travel and mass tourism are not recent phenomena Papers from the 2015 ASTENE Conference in Exeter demonstrate that over the centuries many individuals and groups of people have left the safety of their family home and travelled huge distances both for adventure and to learn more about other peoples and places
