Loves Fantasy:

HIS LOVE. HER FANTASY Adrian Gabriel Dumitru, Annie P David, His love Her fantasy understanding what love is about As friends as a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the begining of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening Me Adrian and my dear Annie are only trying to define the unseen path from fantasy to the love story itself And also let you know that this path is leading you to point when your thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy of reality you should be happy The awakening will come to you *The Fantasy Football Retrospective* Craig Messmer, 2021-08-24 It is estimated that more than fifty million people play fantasy football If you are one of them then this is the perfect companion for you With in depth research and a unique focus that you won t find anywhere else The Fantasy Football Retrospective looks at the history of the NFL through the perspective of FF statistics and analysis Each NFL season from 1970 through the current year has been put under the microscope to determine the ultimate fantasy squad on an annual basis All time teams are also highlighted along with the greatest fantasy seasons ever at each position If you want to learn about the history of the NFL while also learning how to dominate your own fantasy league then this is the book for you **Love, a Fantasy** Herbert W.
