May to May - My Journey to Self-love with God Reabetswe Moabi,2024-08-16 One of society s main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to

Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live *Just Love* Sri Swami Vishwananda,2012-05-08 JUST LOVE contains everything the entire universe It describes a Love that has been addressed before after all there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply JUST LOVE is expressed by someone who not only knows about the all pervading all sustaining Divine force that forms the creation of the Universe but who is completely one with it JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way Sri Swami Vishwananda s message is simple Just Love Yes just love Love is all there is Love is all you have to do the rest will take care of itself **Self-Love Out of Control** , *Reflections on Love, Humanity and Bliss Through Jesus* Merle Templeton,2021-08-02 In the present day this book will help one who is confused about our problems both political and social to understand that the problems have existed throughout mankind s existence and that the only solutions is to believe in heaven and God To show love and kindness to all humanity is the most important idea of the book *Empowerment and Integration Through the Goddess* Wistancia Stone,2001-04 Empowerment and Integration Through The Goddess is perhaps the most profound and informative book written on the subject of the Divine Feminine and how women and men can integrate The Goddess energies into self and the world Since early in Earth s history abuse denial and ignorance of the Divine Feminine has led to the enormous patriarchal attitudes that pervade mass consciousness and even Spiritual literature This book provides one of the most in depth studies of this issue ever written from the Divine Mother Archangels and inner plane Ascended Masters perspective This is for all who are looking for spiritual growth Collectively we are shifting out of polarity consciousness and choosing empowered balanced lives This must read book braids polarity into oneness reveals the disparity of heart mind internal external compassion will experience knowledge love power and assists us across the bridge of transition into the return of full consciousness You will discover How the imbalance began What Goddess energy really is How to balance Feminine and Masculine Why experiencing the Heart is vital Manifestation through The Goddess Feeling into Physical Ascension Meditations Attunements to activate the Divine Feminine What a balanced Master is and How to Balance Love Wisdom and Power *The Way of Goodness and Holiness* Richard M . Gula,2011-01-01 How do ministers whether lay or ordained form their spiritual life What practices do they need to foster in order to become good and to be holy in their service To answer these questions Richard Gula invites readers to think along with him about the kind of minister they want to be If we don t know where we want to go he writes we will easily end up somewhere else Gula then presents a variety of virtues Including gratitude self care humor and courage and explains how developing these qualities is essential for a

minister's moral and spiritual life By grounding a spirituality for pastoral ministry in the virtues Gula provides a way for ministers to bridge the gap between who they are and who they hope to become in imitation of Christ Jesus **The Angelic Conflict** Pastor Robert R. McLaughlin, 2012-05-03 Robert R McLaughlin is the pastor of Grace Bible Church in Somerset Massachusetts and the President of Robert McLaughlin Bible Ministries Both ministries are non denominational grace ministries dedicated to teaching the Word of God from the original languages and making it available at no charge throughout the world For over 30 years Pastor McLaughlin has taught from the original languages of scripture The Ministry is dedicated to equipping the believers in the Lord Jesus Christ to live the life that the Lord has designed for them This is a life of contentment and strength as we go through the inevitable problems and challenges that life brings Like it or not believe it or not we are all a part of an Angelic Conflict One can hardly live in today's society and not come across the concept of good versus evil Books movies video games news it is found everywhere It is actually a measure of Satan's genius that he uses all of these things to disguise obscure and pervert the truth This book explains why most people including many Christians are unable to associate the events of their lives with the big picture the Angelic Conflict itself The Bible teaches that before the creation of man a conflict arose between God and His angels when Satan attempted to ascend to the Mount of Heaven and wrestle God's ruler ship away from Him The resulting battle left the surface of the earth in ruins at this point the earth was packed in ice Presumably it was at this time that the trial occurred in which Satan and the angels that followed him were found guilty and sentenced to the Lake of Fire Since Satan is obviously not yet in the Lake of Fire the logical conclusion is that he appealed his sentence We can speculate a number of grounds on which he is making this appeal One is an accusation against God's character that we hear often enough in life How can a loving God cast His creatures into hell To answer this appeal God created man a lower being and set him in the great stadium of earth for all the angels to observe God would take on the form of this lower being Himself He would allow sinful man to abuse and mock Him and finally to nail Him to a Roman Cross in an attempt to destroy Him Our Lord Jesus Christ would then bear the penalty for the sins of all mankind By doing so He neutralized the claims His justice had against us so that we could live with Him and fellowship with Him forever This book unlocks the secrets of the Angelic Conflict **Knight of Faith, Volume 1** Norman Percy Grubb, 2006-03-06 The title Knight of Faith is taken from Fear and Trembling by Soren Kierkegaard This knight is an ordinary man who believes God's word to him against all appearances like Abraham the original knight of faith did with Isaac He enters this narrow way of faith where few venture Kierkegaard says he is very different from the knight of infinite resignation who believes the answer will come sometime if not in this life then in the next About this knight of faith Kierkegaard writes But if I knew where there was such a knight of faith I would make a pilgrimage to him on foot for this prodigy interests me absolutely I would not let go of him for an instant every moment I would watch to see how he managed to make the movements I would regard myself as secured for life and would divide my time between looking at him and practicing the

exercises myself and thus would spend all my time admiring him This knight of faith is found in Norman Percy Grubb He looked the ordinary man such as any ordinary man but he had discovered the keys of the kingdom and shared it with all As you read his letters you too will find a remarkable yet very human person who spent a lifetime seeking God's face believing by virtue of the absurd and relentlessly sharing in every way possible that which God had given him The world will not always recognise the true knight but he is there butcher baker or candlestick maker or a housewife with a vision of the impossible *The Second Chance Handbook* Yvonne Shelton, 2024-11-15 Are you ready to rebuild your life and unlock your true potential The Second Chance Handbook is your essential guide to navigating the challenging path of reentry after incarceration Tailored specifically for returning citizens this comprehensive manual offers more than just a place to stay it provides a roadmap to transformation through the Restoration House reentry program Explore practical strategies for nurturing your physical mental and spiritual health Master life skills that will help you thrive from effective communication to decision making and problem solving Learn how to build a solid spiritual foundation that is transformative and life changing Improve emotional intelligence with hands on exercises Discover the importance of resume building and job searching Develop parenting techniques that foster trust and healthy relationships with your children With interactive exercises reflective questions a personal success plan and much more this handbook is designed to support your reentry journey every step of the way At Restoration House Inc we believe in your God given potential This is your tool for a new you Let's go

Biblical Manhood Joel Hilliker, Philadelphia Church of God, 2017-04-23 **A World of Lost Love** Charles F.

Sumner, 2012-12-04 A few minutes before my wife died I found myself wishing for time to resolve our two issues which we hadn't talked about Falling in the bathroom and breaking her hip was one She felt I should have run into the bathroom and saved her I was not prepared to save her psychologically and didn't have time The other issue was a rape eighteen months before at the city swimming pool in the dressing room My lady was a young seventy six years old with Hepatitis C and blind She had no strength to defend herself from a large and muscular woman assaulting her because of a failed friendship I might have hurried to save her from falling and I did not take her trauma from her with love and through Jesus Christ I was inhibited and failed her in her fall I would have no freedom to live on if we hadn't been saved by Christ by the understanding I carried in my face I sat down near her and prayed for Jesus Christ to come into my sorrow in my face My lady opened her blind eyes and saw my feelings with Christ of sorrow and smiled instantly twice with a huge happiness that I'd never seen in her for over forty five years of marriage It was a smile of goodness and happiness that she gave me an image of my wife ten years earlier when she hadn't experienced rape I thank my lady and Jesus for giving us this wonderful ending to her life and the resolution of our conflicts *Soul Psychology* Joshua David Stone, Ph.D., 2010-11-24 The words of Sai Baba God equals man minus ego are echoed by Dr Joshua David Stone in his seminal work *Soul Psychology* A veteran transpersonal psychologist and family counselor Dr Stone teaches us how our entire understanding of ourselves and others is completely

changed when we integrate our soul into the way we live our lives Based on eighteen years of Dr Stone s practice this book is not a psychological approach to spirituality It is rather a spiritual approach to the psychology of everyday living At the heart of Soul Psychology is emotional healing through the dismantling of the negative ego a psychological cancer that prevents us from acting in accordance with our soul s true nature and purpose This negative energy drives us to find our security outside of ourselves whereas the only true security is one that is grounded in having a right relationship with self and a right relationship with the Divine To guide us onto this path of spiritual ascension Soul Psychology offers a stimulating new viewpoint that expands the boundaries of traditional spiritual practice providing a wealth of accessible and powerful meditations and exercises including The six step process for healing and spiritualizing emotions The spiritual science of the seven rays and the twenty two chakras Methods for clearing negative psychic energies that inhibit soul growth The one hundred most common pitfalls and traps on the spiritual path
