Reading U.S. Latina Writers A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature

### **The Wounded Heart** Yvonne

Yarbro-Bejarano, 2011-05-18 In her work as poet, essayist, editor, dramatist, and public intellectual, Chicana lesbian writer Cherríe Moraga has been extremely influential in current debates on culture and identity as an ongoing, open-ended process. Analyzing the in-between spaces in Moraga's writing where race, gender, class, and sexuality intermingle, this first book-length study of Moraga's work focuses on her writing of the body and related material practices of sex, desire, and pleasure. Yvonne Yarbro-Bejarano divides the book into three sections which analyze Moraga's writing of the body, her dramaturgy in the context of both dominant and alternative Western theatrical traditions, and her writing of identities and racialized desire. Through close textual readings of *Loving in the War Years*, *Giving Up the Ghost*, *Shadow of a Man*, *Heroes and Saints*, *The Last Generation*, and *Waiting in the Wings*, Yarbro-Bejarano contributes to the development of a language to talk about sexuality as potentially empowering, the place of desire within politics, and the intricate workings of racialized desire.

**Side Dishes** Melissa A. The book illuminates a wealth of creative and intellectual work by Latin American women: editors, directors, cartoonists, academics, performance artists, and comedians, and explores them in light of their treatment of women's sexuality. *Side Dishes* considers feminist pornography and literary representations of masturbation, bisexuality, lesbianism, and sexual fantasies; the treatment of lust in stand-up comedy and science fiction; critical issues in leading feminist journals; and portrayals of sexuality in four contemporary Latin American films. Melissa A. Fitch concludes with a look at the rise of women's and gender studies programs in Latin America.

*Reading Chican@ Like a Queer* Sandra K. Soto, 2010-01-01 A race based oppositional paradigm has informed Chicano studies since its emergence In this work Sandra K Soto replaces that paradigm with a less didactic more flexible framework geared for a queer analysis of the discursive relationship between racialization and sexuality Through rereadings of a diverse range of widely discussed writers from Am rico Paredes to Cherr e Moraga Soto demonstrates that representations of racialization actually depend on the sexual and that a racialized sexuality is a heretofore unrecognized organizing principle of Chican literature even in the most unlikely texts Soto gives us a broader and deeper engagement with Chican representations of racialization desire and both inter and intracultural social relations While several scholars have begun to take sexuality seriously by invoking the rich terrain of contemporary Chicana feminist literature for its portrayal of culturally specific and historically laden gender and sexual frameworks as well as for its imaginative transgressions against them this is the first study to theorize racialized sexuality as pervasive to and enabling of the canon of Chican literature Exemplifying the broad usefulness of queer theory by extending its critical tools and anti heteronormative insights to racialization Soto stages a crucial intervention amid a certain loss of optimism that circulates both as a fear that queer theory was a fad whose time has passed and that queer theory is incapable of offering an incisive politically grounded analysis in and of the current historical moment
