

"The second chapter of *Low Risk High Reward* alone is worth the price of the book. In it, author and entrepreneur Bob Reiss writes about what he refers to as "numeracy," the numbers equivalent of literacy. What makes Reiss's advice stand out is that it's clear he's speaking from his own experience in the trenches." —*For. Magazine*

Low Risk High Reward Practical Prescript:

6 Secrets to Startup Success John BRADBERRY, 2011-03-20 It takes passion to start a new business But that same entrepreneurial enthusiasm can also lead you astray Over six million Americans start businesses every year That s 11 startups a minute launched by passionate dreamers hoping to transform their lives for the better But a huge gap exists between the skyrocketing levels of desire and what entrepreneurs actually achieve The harsh reality is that most new businesses fail within a few years of launch Why do so few startups make it And what distinguishes those that do succeed Entrepreneur consultant and investor John Bradberry set out to discover the answer and came to a surprising conclusion that the passion that drives and energizes so many founders is also the very thing that leads many of them astray Filled with compelling real life stories of both success and failure this groundbreaking book reveals the key principles entrepreneurs must follow to ensure their big idea is on the right track In 6 Secrets to Startup Success readers will learn how to Convert their passion into economic value with a moneymaking business model Improve their readiness to launch and lead a new venture Manage funding and cash flows Chart a path to breakeven and beyond Avoid the pitfalls that often accompany unfettered passion Build the stamina needed to persevere over time Complete with indispensable tools including an assessment to gauge a venture s strengths and weaknesses 6 Secrets to Startup Success will help entrepreneurs everywhere turn their dreams into reality

Daughters of the Declaration Claire Gaudiani, David Graham Burnett, 2011-11-08 America s founding fathers established an idealistic framework for a bold experiment in democratic governance The new nation would be built on the belief that all men are created equal and are endowed with a right to life liberty and the pursuit of happiness The challenge of turning these ideals into reality for all citizens was taken up by a set of exceptional American women Distinguished scholar and civic leader Claire Gaudiani calls these women social entrepreneurs arguing that they brought the same drive and strategic intent to their pursuit of the greater good that their male counterparts applied to building the nation s capital markets throughout the nineteenth century Gaudiani tells the stories of these patriotic women and their creation of America s unique not for profit or social profit sector She concludes that the idealism and optimism inherent in this work provided an important asset to the increasing prosperity of the nation from its founding to the Second World War Social entrepreneurs have defined a system of governance by the people and they remain our best hope for continued moral leadership in the world
