Book I** Eliphas Levi, 2021-07-15 Behind the veil of all the hieratic and mystical allegories of ancient doctrines behind the darkness and strange ordeals of all initiations under the seal of all sacred writings in the ruins of Nineveh or Thebes on the crumbling stones of old temples and on the blackened visage of the Assyrian or Egyptian sphinx in the monstrous or marvellous paintings which interpret to the faithful of India the inspired pages of the Vedas in the cryptic emblems of our old books on alchemy in the ceremonies practised at reception by all secret societies there are found indications of a doctrine which is everywhere the same and everywhere carefully concealed Occult philosophy seems to have been the nurse or god mother of all intellectual forces the key of all divine obscurities and the absolute queen of society in those ages when it was reserved exclusively for the education of priests and of kings It reigned in Persia with the Magi who perished in the end as perish all masters of the world because they abused their power it endowed India with the most wonderful traditions and with an incredible wealth of poesy grace and terror in its emblems it civilized Greece to the music of the lyre of Orpheus it concealed the principles of all sciences all progress of the human mind in the daring calculations of Pythagoras fable abounded in its miracles and history attempting to estimate this unknown power became confused with fable it undermined or consolidated empires by its oracles caused tyrants to tremble on their thrones and governed all minds either by curiosity or by fear Folklore and Book Culture Kevin J. Hayes, 2016-02-05 To many observers folklore and book culture may appear to be opposites Folklore after all involves orally circulated stories and traditions while book culture is concerned with the transmission of written texts However as Kevin J Hayes points out there are many instances where the two intersect and exploring those intersections is the purpose of this fascinating and provocative study Hayes shows that the acquisition of knowledge and the ownership of books have not displaced folklore but instead have given rise to new beliefs and superstitions Some books have generated new proverbs others have fostered their own legends Occasionally the book has served as an important motif in folklore and in one folk genre the flyleaf rhyme the book itself has become the place where folklore occurs thus indicating a lively interaction between folk print and manuscript culture The author begins by examining the tradition of the Volksbucher cheaply printed books often concerned with the occult whose powers are said to

transcend the written text Hayes looks in depth at one particular Volksbuch The Sixth and Seventh Books of Moses and proceeds in subsequent chapters to discuss a variety of folktales and legends placing them within the context of book culture and the history of education He closes with an examination of flyleaf rhymes the little verses that book owners have inscribed in their books and considers what they reveal about the identity of the inscribers as well as about attitudes toward book lending book borrowing and the circulation of knowledge Solidly researched and venturing into areas long neglected by scholars Folklore and Book Culture is a work that will engage not only folklorists but historians and literary scholars as well

Larry Correia, 2011-05-01 Jake Sullivan is a war hero a private eye and an ex con He s free because he has a magical talent being able to alter the force of gravity in himself and objects in his vicinity and the Bureau of Investigation calls on him when they need his help in apprehending criminals with their own magical talents But the last operation he was sent along to help

with went completely wrong and Delilah Jones the woman the G men were after who just happened to be an old friend of Jake's in happier times had a lot of magical muscle with her too much muscle for the cops to handle even with Jake's help. It got worse. Jake found out that the Feds had lied to him about Delilah being a murderer as well as a bank robber and they had lied about this being his last job for them; he was too valuable for them to let him go. And things were even worse than Jake imagined. There was a secret war being waged by opposing forces of magic users and Jake had no idea that he had just attracted the attention of one side whose ruthless leaders were of the opinion that Jake was far too dangerous to be permitted to live. LIFE AFTER LIFE: The Book of Magic Knowledge Melinda Jones, 2022-06-06

The book **LIFE AFTER LIFE: The Book of Magic Knowledge** is a new bestseller that reflects the experience of channeling with a disembodied soul as well as a fascinating story about the adventures on the other side of life. This is a true story told from the subtle world. Yan is a lost soul who found himself in the subtle world. Sharing his story with the author of this book, Yan revealed his fate before and after his mundane life. Yan talks about the journey of his soul after death. In this incredible story, you will learn: How does it feel to die? Is it possible to fall in love in the underworld? How do souls go to rebirth? Is there a hell and a heaven? Secrets of fate. Secrets of the origin of the universe and planets. The secret of Atlantis and other civilizations. This book has been compared as a mix of Harry Potter magic and Star Wars for mystics. Amazing mysteries of Atlantis, aliens, and life after death will be told from the beyond. A lot of people have already read the book and shared their appreciation toward it. This is the only book you need to read. This book is the medicine our humanity needs to come back to life again. The knowledge imparted in this book is like a protective shield against any negative emotion, illness, ecological, or evolutionary problem, and there is nowhere else you can find this knowledge because it comes directly from the realm of subtle energies we can only know after death. This is a real living book in the way that all of life is alive. It speaks with you. If you don't have an open heart, a pure soul, and good intentions, this book will show you that because this book is an alive spirit. This book has been written through the means of channeling and has a special code embedded as part of the story. The more you read it, the faster all your dreams come true.
