Handyman Saitou in Another World, Vol. 1 Ichitomo Kazutomo, 2023-06-20 Until recently he lived an ordinary life Saitou is a thoroughly unremarkable handyman who can't help but feel unsatisfied with his lot in life Sure doing odd jobs pays the bills barely but it comes at the cost of dealing with his ungrateful customers and boss Dejected and dispirited he's starting to wonder what the point of it all is when he finds himself in another world There he meets Raelza a strong and beautiful female warrior with a prickly attitude Morlock a dirty old man and a powerful wizard when he can remember his spells and Lafanpan a cute but greedy fairy Together with his companions Saitou goes dungeon crawling in search of riches and feels what it's like to be needed for the first time After all who would you trust to open locked treasure chests or repair your equipment more than your local handyman

Newman, 2018-01-16 Although life in the Middle Ages was not as comfortable and safe as it is for most people in industrialized countries today the term Dark Ages is highly misleading The era was not so primitive and crude as depictions in film and literature would suggest Even during the worst years of the centuries immediately following the fall of Rome the legacy of that civilization survived This book covers diet cooking housing building clothing hygiene games and other pastimes fighting and healing in medieval times The reader will find numerous misperceptions corrected The book also includes a comprehensive bibliography and a listing of collections of medieval art and artifacts and related sites across the United States and Canada so

that readers in North America can see for themselves some of the matters discussed in the book Instructors considering this book for use in a course may request an examination copy here
