Magic Of Dialogue Transforming Conflict Into Cooperation:

The Magic of Dialogue Daniel Yankelovich, 2001-09-05 In this groundbreaking work famed social scientist and world famous public opinion expert Daniel Yankelovich reinvents the ancient art of dialogue Successful managers have always known how to make decisions and mobilize coworkers But as our businesses continue to expand conversations and discussions just aren't enough to bring people and their different agendas together anymore Dialogue when properly practiced will align people with a shared vision and help them realize their full potential as individuals and as a team Drawing on decades of research and using real life examples The Magic of Dialogue outlines specific strategies for maneuvering in a wide range of situations and teaches managers leaders business people and other professionals how to succeed in the new global economy where more players participate in decision making than ever before Accessibility and Active Offer Marie Drolet, Pier Bouchard, Jacinthe Savard, 2017-11-01 It is imperative that we train leaders who are able to intervene efficiently with service users and to support a better organization of the workplace It is especially important to look at the many issues related to postsecondary training and human resources such as recruiting and keeping these leading professionals Accessibility and Active Offer thus combines theory and empirical data to help future professionals understand the workplace issues of accessibility and active offer of minority language services This English language adaptation of *Accessibilité et offre active* features an additional chapter by Richard Bourhis on issues specific to Anglophone communities in Québec This multidisciplinary collective work is the first to unite researchers in health social work sociology political science public administration law and education in order to gain more thorough knowledge of linguistic issues in health and social services as well as of active offer of French language services Published in English with a French counterpart

Overcoming America / America Overcoming Stephen C. Rowe, 2013-03-13 In *Overcoming America* America Overcoming Stephen Rowe shows how the moral disease and political paralysis that plague America are symptomatic of the fact that America herself has been overtaken by the modern values which she exported to the rest of the world He points to a way out of this current and potentially fatal malaise join other societies which are also struggling to move beyond the modern and consciously reappropriate those elements of tradition which have to do with cultivation of the mature human being To avoid fundamentalism Rowe discusses how this reappropriation must be undertaken in dialogue with those who also have come to recognize the unsustainable quality of the modern life and who have been able to live beyond the nihilistic wish to tear it down This book supports the call for an emerging global ethic and spirituality providing resources of articulation and interpretation that allow for an ongoing dialogue between traditional and modern values both worthy and problematic in their own ways through which reliable policy and healthy living become possible **The Change Handbook** Peggy Holman, Tom Devane, Steven Cady, 2007-01-01 The Change Handbook features chapters by the originators and foremost practitioners of such high leverage change methods as Future Search Real Time Strategic Change Gemba Kaizen and Open
