Cubs manager Leo Durocher as an aging superstar and never uttering a single complaint Let s Play Two is based on numerous conversations with Banks and on interviews with more than a hundred of his family members teammates friends and associates as well as oral histories court records and thousands of other documents and sources Together they explain how Banks was so different from the caricature he created for the public The book tells of Banks s early life in segregated Dallas his years in the Negro Leagues and his difficult life after retirement and features compelling portraits of Buck O Neil Philip K Wrigley the Bleacher Bums the doomed pennant race of 1969 and much more from a long lost baseball era
