Happenings Mildred L. Glimcher, 2012-02-21. In early October 1959, thirty-two-year-old Allan Kaprow presented a performance piece entitled *18 Happenings in 6 Parts*. This unique conjunction of visual, aural, and physical events performed for an intimate art world audience by his friends and colleagues would change the course of art history. The genre of artwork that evolved from this debut would become known as *Happenings*. Author Mildred Glimcher, an art historian, author, and close observer of contemporary art for more than fifty years, provides a vivid and comprehensive look not only at the events but also at the culture and society that surrounded it. This new volume provides a comprehensive look at this revolutionary art form. Prepared in conjunction with an exhibition at the Pace Gallery in New York, it focuses on the years that saw the movement's birth in New York and Provincetown, Mass., and the artists who made the genre a legend: Red Grooms, Allan Kaprow, Robert Whitman, Jim Dine, Claes Oldenburg, Simone Forti, Carolee Schneemann. Together they created a new and outrageous art form with an "anything goes" attitude, one whose influence is still felt within the contemporary art world. Glimcher visits the formative years of the movement in great detail, describing each performance piece in words and photographs. The radical nature of the time and the works is evidenced by Red Grooms's *The Burning Building*, Claes Oldenburg's *Ray Gun Spex*, Jim Dine's *A Shining Bed*, and many more. *Happenings* is heavily illustrated with photographs from

the era many drawn from a previously unpublished cache by Robert McElroy
