Magical Practices:

Amulets in Magical Practice Jay Johnston, 2024-04-25 This Element takes as its remit the production and use of amulets. The focus will be on amulets with no or minimal textual content like those comprising found stone, semi-precious gem and/or animal body parts. That is a material form that is unaccompanied by directive textual inscription. The analysis considers this materiality to understand its context of use including ritual and metaphysical operations. Through discussion of selected case studies from British Celtic and Scandinavian cultures it demonstrates the associative range of meaning that enabled the attribution of power agency to the amuletic object. Uniquely it will consider this material culture from an interdisciplinary perspective drawing together insights from the disciplines of cultural studies, religious studies, folk studies, archaeology and Scandinavian studies. It develops the concept of trans-aniconism to encapsulate an amulet's temporal relations and develops the proposition of landscape amulets.

A Magical Practice Pasquale De Marco, 2025-04-28 Embark on a magical journey of self-discovery and transformation with *A Magical Practice*, a comprehensive guide to the occult and its profound impact on our lives. teachings revelations and scientific law are brought together to form 28 simple practices that open the reader's eyes to a new world and lead them to a dream life **Magic and Superstition in Europe** Michael D. Bailey, 2007 The only comprehensive single volume survey of magic available this compelling book traces the history of magic and superstition in Europe from antiquity to the present Focusing mainly on the medieval and early modern era Michael Bailey also explores the ancient Near East **Jewish Love Magic** Ortal-Paz Saar, 2017-08-28 Jewish Love Magic From Late Antiquity to the Middle Ages is the first monograph dedicated to the supernatural methods employed by Jews in order to generate love grace or hate Examining hundreds of manuscripts often unpublished Ortal Paz Saar skillfully illuminates a major aspect of the Jewish magical tradition The book explores rituals spells and important motifs of Jewish love magic repeatedly comparing them to the Graeco Roman and Christian traditions In addition to recipes and amulets in Hebrew Aramaic and Judaeo Arabic primarily originating in the Cairo Genizah also rabbinic sources and responsa are analysed resulting in a comprehensive and fascinating picture Due to the general neglect of the topic in previous scholarship the richness of the research corpus and the scientific precision of the author Saar's Jewish Love Magic is an important volume that should be on the shelf of every scholar focusing on ancient Jewish magic but also on Jewish culture and cultural history in general Furthermore the book is an enjoyable read also for a non specialist audience thanks to its clarity and fluency Alessia Belusci Yale University in Journal of Semitic Studies 64 2 2019 This is a valuable foray into the relationship between institutionalised religion and magic and the complex question of legitimacy Overall the book presents a compelling case for the existence of Jewish love magic Ann Jeffers Journal for the Study of the Old Testament 43 5 2019 **The Cambridge History of Magic and Witchcraft in the West** David J. Collins, S. J., 2015-03-02 This book presents twenty chapters by experts in their fields providing a thorough and interdisciplinary overview of the theory and practice of magic in the West Its chronological scope extends from the Ancient Near East to twenty first century North America its objects of analysis range from Persian curse tablets to US neo paganism For comparative purposes the volume includes chapters on developments in the Jewish and Muslim worlds evaluated not simply for what they contributed at various points to European notions of magic but also as models of alternative development in ancient Mediterranean legacy Similarly the volume highlights the transformative and challenging encounters of Europeans with non Europeans regarding the practice of magic in both early modern colonization and more recent decolonization **Witchcraft and Magic in Europe, Volume 3** Karen Louise Jolly, Edward Peters, Catharina Raudvere, 2002-03-12 Covers the rise of white magic Christian persecution of sorcery [Performing Magic in the Pre-Modern North](#) Jennifer Hemphill, Ségdæ Richardson-Read, Solveig Marie Wang, 2024-11-30 This book addresses the varied performances of magic in medieval and early modern Scandinavia It provides a comprehensive review of the rapidly expanding field of European magic and specifically discusses performances of magic in the pre modern north By employing innovating methodologies and covering a wide temporal range the book offers a uniquely interdisciplinary approach to the

study of magic in the pre modern North In addition the minority driven contributions written by an international group of dynamic and diverse scholars complement one another to highlight the many multicultural realities of the pre modern North

Routledge Handbook of Jewish Ritual and Practice Oliver Leaman,2022-07-08 Ritual and practice are some of the most defining features of religion linked with its central beliefs Discussing the wide range of Jewish ritual and practice this volume provides a contemporary guide to this significant aspect of religious life and experience Drawing on a wide range of disciplines this volume describes not only what takes place but the reasons behind this and the implications both the theory and practice have for our understanding of Judaism Organized in terms of texts periods practices languages and relationships with the other the book includes accounts of prayer food history synagogues and the various legal and ideological debates that exist within Judaism with the focus on how they influence practice Coming at a time of renewed interest in the role of the body in religion this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date This volume is aimed at students and researchers working in Jewish studies specifically and religious studies in general Designed to be helpful to those on courses in relevant areas especially in the United States this book includes substantial bibliographical material

Everyday Magic in Early Modern Europe Kathryn A. Edwards,2016-03-09 While pre modern Europe is often seen as having an enchanted or magical worldview the full implications of such labels remain inconsistently explored Witchcraft demonology and debates over pious practices have

provided the main avenues for treating those themes but integrating them with other activities and ideas seen as forming an enchanted Europe has proven to be a much more difficult task This collection offers one method of demystifying this world of everyday magic Integrating case studies and more theoretical responses to the magical and preternatural the authors here demonstrate that what we think of as extraordinary was often accepted as legitimate if unusual occurrences or practices In their treatment of and attitudes towards spirit assisted treasure hunting magical recipes trials for sanctity and visits by guardian angels early modern Europeans showed more acceptance of and comfort with the extraordinary than modern scholars frequently acknowledge Even witchcraft could be more pervasive and less threatening than many modern interpretations suggest Magic was both mundane and mysterious in early modern Europe and the witches who practiced it could in many ways be quite ordinary members of their communities The vivid cases described in this volume should make the reader question how to distinguish the ordinary and extraordinary and the extent to which those terms need to be redefined for an early modern context They should also make more immediate a world in which magic was an everyday occurrence

Magic and the Supernatural, 2020-04-28 *Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Magic* Edwin M. Yamauchi, Marvin R. Wilson, 2022-05-17 This unique reference article excerpted from the larger work *Dictionary of Daily Life in Biblical and Post Biblical Antiquity* provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600 Written and edited by a world class historian and a highly respected biblical scholar each article addresses cultural technical and or sociological issues of interest to the study of the Scriptures Contains a high level of scholarship Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration Useful for scholars pastors teachers and students for biblical study exegesis or sermon preparation Possible areas covered include details of domestic life technology culture laws or religious practices Each article ranges from 5 to 20 pages in length For the complete contents of *Dictionary of Daily Life in Biblical and Post Biblical Antiquity* see ISBN 9781619708617 4 volume set or ISBN 9781619701458 complete in one volume
