disappointed as we received the warmest of welcomes from our graceful and charming host Vinod Krishan She and her colleagues worked tirelessly to make our stay a most memorable one and to ensure that the meeting ran with calm and efficiency In addition to being stimulated by an excellent series of talks on the up to the minute advances in our subject it was a pleasure to make new friendships from so many countries and to learn in particular of the Solar Physics being done in India which has a great tradition and is of a high standard Furthermore we enjoyed hearing about Indian culture and appreciating its beauty especially on our day s tour into the countryside to visit some Hindu and Jain temples     **The Magnetic and Related Stars** Robert C.
