

The background of the slide is a photograph of two construction professionals at a site. One person, wearing a white hard hat and a high-visibility orange vest, is operating a surveying instrument mounted on a tripod. The other person, wearing a yellow hard hat and a high-visibility yellow vest, stands next to them, pointing towards a concrete bridge structure in the background. The scene is set under a large concrete overpass with multiple support pillars. The ground is a reddish-brown dirt or gravel. The overall lighting suggests a bright, sunny day.
