Magnificent Arthurian Saga:

Parsifal H. R. Haweis, 2019-12-10 H R Haweis's *Parsifal* emerges as a compelling exploration of the intertwining themes of innocence and redemption inspired by Wagner's eponymous opera. Written in a poetic prose that marries the musicality of the German composer's score with intricate narrative layers, Haweis intricately delves into the quest for the Holy Grail as a metaphor for spiritual enlightenment. The text navigates the ambiguous terrain between myth and reality all the while reflecting the cultural tensions of the late 19th century, a period characterized by a renewed interest in spirituality and European literary revival. As an influential figure in the Victorian literary scene, H R Haweis was a preacher, art critic, and a proponent of aestheticism, which profoundly shaped his literary voice. His exposure to the performing arts and theology undoubtedly colored his interpretation of *Parsifal*, allowing him to infuse his writing with profound philosophical insights. Haweis's deep admiration for Wagner's work and his commitment to articulating the spiritual undertones within European art resonate throughout the text, positioning it as a noteworthy contribution to the genre of literary interpretations of operatic works. I highly recommend *Parsifal* to readers interested in the intersection of literature and music, as well as those seeking a deeper understanding of the philosophical queries surrounding the human experience. Haweis's nuanced approach enriches the existing discourse on Wagner's opera, inviting reflection and wonder that linger long after the final page has been turned. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. Saxons vs. Vikings Ed West, 2017-08-08 A witty and concise look at the beginnings of English history when the nation consolidated after clashes between the Saxons and invading Vikings In 871 three of England's four kingdoms were overrun by Vikings the ruthless all conquering Scandinavian raiders who terrorized early medieval Europe With the Norsemen murdering one king with arrows and torturing another to death by ripping out his lungs the prospects that faced the kingdom of Wessex were bleak Worse still the Saxons were now led by a young man barely out of his teens who was more interested in God than fighting Yet within a decade Alfred the only English king known as the Great had driven the Vikings out of half of England and his children and grandchildren would unite the country a few years later This period popular with fans of television shows such as Vikings and The Last Kingdom saw the creation of England as

a nation state with Alfred laying down the first national law code establishing an education system and building cities Saxons vs Vikings also covers the period before Alfred including ancient Britain the Roman occupation and the Dark Ages explaining important historical episodes such as Boudicca King Arthur and Beowulf Perfect for newcomers to the subject this is the second title in the new A Very Very Short History of England series If you re trying to understand England and its history in the most informative and entertaining way possible this is the place to start *Healer* Linda Windsor,2010-06-01 Sixth century Scotland in the time of Arthur The Gowrys seed shall divide your mighty house and bring a peace beyond the ken of your wicked soul Her mother s dying prophecy to the chieftain Tarlach O Byrne sentenced Brenna of Gowrys to twenty years of hiding Twenty years of being hunted by the O Byrnes who fear the prophecy and by her kinsmen who expect her to lead them against their oppressors But Brenna is a trained and gifted healer not a warrior queen So she lives alone in the wilderness with only her pet wolf for company When she rescues a man badly wounded from an ambush she believes he may be the answer to her deep loneliness Healing him comes as easy as loving him But can their love overcome years of bitterness and greed and bring peace and renewed faith to the shattered kingdom **King Arthur In Legend and History** Richard White,1998-02-12 Presenting selections from medieval Latin Welsh English French and German literature Richard White traces the Arthurian legend from the earliest mentions of Arthur in Latin chronicles to Thomas Malory s Le Morte d Arthur Many of these selections are translated here for the time into English Bringing together an extensive range of diverse material which reveals the development of the figure of Arthur this anthology enables the reader to understand how the Arthurian legend developed over a period of more than five hundred years King Arthur inLegend and History also includes a chronology of key Arthurian texts an appendix of the Arthurian Courts a list of sources suggestions for further reading and bibliography Also includes five maps **Globalization, Utopia and Postcolonial Science Fiction** E.
