The Mahatma Letters to A. P. Sinnett Vicente Hao Chin, 1972-01-01 A classic in Theosophical literature The Mahatma Letters to A. P. Sinnett from the Mahatmas M. & K. H. , 1993 **Reflections on an Ageless Wisdom** Joy Mills, 2014-07-01 Modern Theosophy expresses the ancient wisdom tradition found in all religions When H P Blavatsky founder of the Theosophical Society in 1875 told English journalist A P Sinnett she had gained her paranormal knowledge from more evolved beings called the Mahatmas Sinnett asked to communicate with them himself The result was a remarkable correspondence carried on from 1880 to 1885 with Mahatmas Khoote Hoomi and Morya Recorded in The Mahatma Letters to A P Sinnett the answers of these Teachers form an essential part of Theosophical literature At the time the Letters stormed the bastions of racial and religious prejudice and they continue to fascinate those seeking to probe the mysteries of the universe and the nature of consciousness Here is the most comprehensive magisterial discussion of The Mahatma Letters since they were first published in 1924 Eminent Theosophist Joy Mills bases her commentary on Vincente Hao Chin s 1999 edition of the Letters helpfully arranged chronologically to enable following the exposition as it originally unfolded Mills quotes Sinnett in emphasizing that the Mahatmas purpose was not to put the world into possession of occult knowledge but to train those who proved qualified so that they might ascend the path of spiritual progress Her focus then is on not only knowledge of the magnificent Occult Science but more significantly the ethical and moral values we must embrace to be of service to the world She offers her reflections on over 140 letters in the hope that they may prove useful to fellow students on the journey toward the spiritual heights May these letters call you as they have continued to call me to keep on exploring for truly there is no other way to go *Readers' Guide to the Mahatma Letters to A. P. Sinnett* V. Hanson, 1988 *From Blavatsky to Krishnamurti: "It is Finished"* Al Boag, 2025-09-16 This book highlights some important continuities as well as differences between the teachings of Helena Petrovna Blavatsky 1831 1891 co founder of the Theosophical Society in 1875 and Krishnamurti Jiddu 1895 1986 the Theosophist who was trained to be the World Teacher Until now very little has been written of the importance to Blavatsky of an esoteric eschatology and Christology and their relation to the secret core of her Path of Initiation the practice of an occult breathless meditation Similarly scholarly research has overlooked the evidence that Krishnamurti eviscerated the secret core of Blavatsky s teaching with his own esoteric interpretation of it which exists in his published work as the camouflaged core of his teaching Offering a fresh appraisal this work draws on careful exploration of the primary source material of Blavatsky and Krishnamurti as well as his Theosophical mentors Annie Besant 1847 1933 and Charles Webster Leadbeater 1854 1934 It will be of particular interest to students and scholars of esotericism new religious movements and the history of religions **Paschal Beverly Randolph** John Patrick Deveney, 1997-01-01 His most enduring claim to fame is the crucial role he played in the transformation of spiritualism a medium s passive reception of messages from the spirits of the dead into occultism the active search for personal spiritual

The Mahatma Letters to A. P. Sinnett from the Mahatmas M. & K. H. Alfred Percy Sinnett, 1924 **Imagining the East** Erik Reenberg Sand, Tim Rudbøg, 2020 The essays in *Imagining the East* explore how Theosophists during the formative period imagined the religions and cultures of the East The authors examine the relationship of such representations to orientalism the history of ideas politics and culture at large and discuss how these esoteric or theosophical representations mirrored conditions and values current in nineteenth century mainstream intellectual culture The essays also look at how the early Theosophical Society s representations of the East differed from mainstream orientalism and how the Theosophical Society s mission in India was distinct from that of British colonialism and Christian missionaries **Invisible Worlds**, 2013-10-14 To investigate the unexplained laws of Nature and the powers latent in humanity is one object of the Theosophical Society Annie Besant 1847-1933 outspoken feminist political activist and early president of the TS thought that psychic and spiritual development should be available to everyone not just a chosen few In her many books and articles providing guidelines her goal was not to help students develop supernormal powers but to help them increase consciousness in order to receive instruction from the ascended Masters Besant believed this work had positively changed her life and wanted others to enjoy the same benefit Although penned a century ago Besant s wisdom on the subject is still germane Her prose is clear and inspiring and Kurt Leland s introduction and notes are well informed He helpfully divides Besant s writings into four parts Occultism Light and Dark Higher Life Training the Investigation of Different Worlds and the Science of the Superphysical **Masters of Wisdom** Edward Abdill, 2015-05-19 A rigorous historical and philosophical examination of the controversial spiritual Masters who guided Madame H P Blavatsky in opening the world to Eastern and esoteric spirituality in the late nineteenth century In the late nineteenth century Russian noblewoman and occult philosopher Madame H P

Blavatsky enthralled the world with revelations of an ancient secret doctrine behind the major faiths and a cosmic theology that united the insights of religion and science Blavatsky said she was operating under the guidance of hidden Masters of wisdom or mahatmas who led her to reveal forgotten wisdom to modern people The mythos of Blavatsky s Masters left a deep mark on Western culture and spawned more than a century of debate Were the Masters real What did they teach Are they reachable today Now independent scholar of religion Edward Abdill provides an authoritative historically reliable and delightfully readable study of the background and ideas of the Masters in particular highlighting their message and its enduring relevance

Leadbeater, 2012-12-13 Then shall the candidate be bound upon the wooden cross After the third day he shall be brought back from the dead and carried up to heaven to be on the right hand of Him from whom he came Surprisingly these lines are from an Egyptian initiation ritual thousands of years before the Christian drama Linking the two is just one fascinating element in this profound introduction to esoteric Christianity as timely today as when it was first published in 1920 Famed clairvoyant Charles Webster Leadbeater was a bishop of the Liberal Catholic Church which preserves the sacraments while

interpreting the scriptures with maximum freedom He quotes St Augustine himself saying that what we now call Christianity emerged at the very beginning of humanity as the one true religion To access its transformative force Leadbeater returns to original teachings and decodes its story symbolically as a guide for direct knowledge Gr gnosis of the Divine As Christ had the Godhead behind Him so have we the same power although not yet unfolded as fully he says Nevertheless it is only a question of development and that development is certain With the authority of a scientist and a mystic he addresses such topics as the birth of Christ in the heart God s utter love divine grace angelic help the true meaning of salvation and reincarnation and the evolution of the soul **The Theosophist** ,1926 *The Letters of H. American Studies **Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements** Eugene V. Gallagher,W. Michael Ashcraft,2006 Annotation Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious
