Garland of the Buddha's Past Lives (Volume 2) Aryashura, 2017-04-01 In this second volume of the Garland of Past Lives Aryashura applies his elegant literary skill toward composing fourteen further stories that depict the Buddha's quest for enlightenment in his former lives Here the perfection of forbearance becomes the dominant theme as the future Buddha suffers mutilations from the wicked and sacrifices himself for those he seeks to save Friendship too takes on central significance with greed leading to treachery and enemies transformed into friends through the transformative effect of the future Buddha's miraculous virtue The setting for many such moral feats is the forest Portrayed as home for the future Buddha in his lives as an animal or ascetic the peaceful harmony of this idyllic realm is often violently interrupted by intrusions from human society Only the future Buddha can resolve the ensuing conflict influencing even kings in the stories but also throughout Asian history to express wonder and devotion at the startling demonstrations of virtue they encounter

Charming Cadavers Liz Wilson, 1996-12 In this highly original study of sexuality desire the body and women Liz Wilson investigates first millennium Buddhist notions of spirituality She argues that despite the marginal role women played in monastic life they occupied a very conspicuous place in Buddhist hagiographic literature In narratives used for the edification of Buddhist monks women's bodies in decay diseased dying and after death served as a central object for meditation inspiring spiritual growth through sexual abstention and repulsion in the immediate world Taking up a set of universal concerns connected with the representation of women Wilson displays the pervasiveness of androcentrism in Buddhist literature and practice She also makes persuasive use of recent historical work on the religious lives of women in medieval Christianity finding common ground in the role of miraculous afflictions This lively and readable study brings provocative new tools and insights to the study of women in religious life
