Maigret And The Bum:

Maigret and the Bum Georges Simenon, 1982 A homeless man is found beaten and unconscious along the banks of the Seine Inspector Maigret must connect him to a past and a possible motive for his attempted murder The investigation provides Maigret with a chilling look at those who have rejected society and the small measure of justice it offers them Maigret is a registered trademark of the Estate of Georges Simenon **Maigret and the Bum, and The Lost Victim, and The Dark Side of the Island** Georges Simenon, **Maigret's World** Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works
