Mainland China Yu-ming Shaw, 2019-04-05 Over the past several years Mainland China has undertaken reforms in various domestic areas including culture and society education the economy and the Communist Party In addition since September 1982 Peking has begun to pursue an independent course in foreign relations In this volume based on the Thirteenth Sino American Conference in Tai **The Chinese Diaspora and Mainland China** C. Lever-Tracy, D. Ip, N. Tracy, 1996-09-06 The book describes the alliance since the mid 1980s of the entrepreneurs of the Chinese diaspora with the new locally based industrialisation that reform in China has allowed to flourish in its townships and villages The synergy between these two derives from the ability of small non bureaucratic actors on both sides to establish networks based on personal trust and reciprocity producing a new kind of transformative development from below in which established Western and Japanese multinationals have little role **Mainland China, Official Standard Names Approved by the United States Board on Geographic Names** ,1968 *Mainland China, Official Standard Names Approved by the United States Board on Geographic Names* ,1968 **The Emergence of Greater China** Y. Sung, 2004-12-10 The fusion of know how and capital from Hong Kong and Taiwan with the substantial labour resources on China has led to the emergence of a dynamic economy of Greater China rivalling the USA the European Union and Japan What is the nature and trend of trade and investment within Greater China What are the impacts on the world economy With China s entry into the WTO what are the problems and prospects of Greater China These are some of the issues raised within Yun Wing Sung s book *Across the Taiwan Strait* Bruce Herschensohn, 2002-01-01 Taiwan s recent moves to democratize its political system have undermined the one China policy and demanded the redefinition of relations between Taiwan and China Across the Taiwan Strait provides a new and timely look at the pivotal role of democracy in the fifty year old conflict Drawn from the proceedings of a conference organized by the Claremont Institute the work discusses the varying perceptions of democracy in China and Taiwan and the different democracy movements developing on either side of the Taiwan Strait It highlights the importance of Taiwan in establishing an Asian experience of democracy the role of the United States in mediating this discussion of democracy and the need to ensure that democratic development enhances rather than destabilizes the cross strait relationship *People's Republic of China-Hong Kong Special Administrative Region* International Monetary Fund, 2018-01-22 This 2017 Article IV Consultation highlights that economic activity in Hong Kong Special Administrative Region has gained momentum since the second half of 2016 amid robust domestic demand and recovering external demand

Asia and Pacific Dept, 2019-12-30 This 2019 Article IV Consultation with People's Republic of China Hong Kong Special Administrative Region SAR discusses that the economy is projected to start recovering next year but the pace is expected to be gradual and both near and medium term risks have increased significantly including from trade and technology tensions ongoing social unrest and structural challenges of insufficient housing supply and high income inequality. Hong Kong SAR is well placed to address both cyclical and structural challenges with its significant buffers thanks to its long history of prudent macroeconomic policies. Given that the fiscal framework permits deficits during economic downturns government spending should be increased significantly in the areas of social safety nets education retraining and infrastructure to cope with the cyclical downturn and address structural challenges of insufficient housing and high income inequality. This should be complemented with measures to ensure fiscal sustainability and greater equity.
