revolutionary approach to women's health. The mother daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships with food with our children with our mates and with ourselves is a reflection of those beliefs. Once we understand our mother daughter bonds, we can rebuild our own health whatever our age and create a lasting positive legacy for the next generation.

Mother Daughter Wisdom introduces an entirely new map of female development exploring the five facets of feminine power which range from the basics of physical self care to the discovery of passion and purpose in life. This blueprint allows any woman whether or not she has children to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter it will help her be the mother she has always wanted to be.

Written with warmth enthusiasm and rare intelligence, Mother Daughter Wisdom is an indispensable book destined to change lives and become essential reading for all women.

Yesterday's Tomorrow Barry Longyear, 2011-03-04 Recipient of the Hugo and Nebula Awards for his writing, Barry Longyear flexes his creative and comic chops in Yesterday's Tomorrow. In these true stories Longyear wanders from scenic Maine backdrops to the smoky hum of backwoods Twelve Step meetings all while dissecting why some recoveries don't come naturally and why it's okay to let down our guard and laugh. Recovery is one hell of a roller coaster. It twists and plummets upending our stomachs while some maniac cackles hysterically in the front car. What's so damn funny? Besides our stomach's contents what are we missing? Truth is while we all sit anxiously awaiting that next drop, Barry Longyear is enjoying the wild ride. An award winning author and proprietor of the Life Sucks Better Clean blog, Barry has been on recovery's ride for a while now. He understands the importance of stupid questions and sarcastic responses. He's honest to the point of embarrassment. And he has real problems with friends with self ordained recovery police and with the god of his childhood. But he also has a strong recovery full of laughter. Despite all its ups and downs your recovery too can be a good one.
