"ALAIN ROBBE-GRILLET IS THE FORERUNNER  
OF A REVOLUTION IN THE NOVEL."  
—CLAUDE MAURIAC

# Maison De Rendez Vous And Djinn

**H. Meretoja**

## **Maison De Rendez Vous And Djinn:**

*Djinn* Alain Robbe-Grillet, 1987 *Djinn* is the story of a young man who follows an alluring androgynous girl into a clandestine world where he is assailed by bizarre strangers disorienting images dislocations of time and finally doubts about his own identity With Hong Kong as the setting of *La Maison de Rendez Vous* the master of the new novel creates a world of crime intrigue and passion dominated by Lady Ava's mysterious Blue Villa Back cover **Narrative Causalities** Emma Kafalenos, 2006 *Narrative Causalities* offers both an argument and a methodology The argument is that interpretations of the consequences and causes of events are contextual and that narratives by determining the context in which events are perceived shape interpretations The methodology on which the argument is based is a theory of functions A function in this theory is a position in a causal sequence A set of functions provides a vocabulary to analyze and compare interpretations of the causes and consequences of events in our world in narratives about our world and in fictional narratives Infinity (stage) Spencer Golub, 2001 A moving and genre defying text written after a great loss that blurs the boundaries between writing and performance **Understanding Alain Robbe-Grillet** Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet's considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet's embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative's claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet's middle and late novels as a metaphorical play with textual and social conventions **BOOK JACKET** Postmodernist Fiction Brian McHale, 2003-09-02 In this trenchant and lively study Brian McHale undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as North American metafiction Latin American magic realism the French New New Novel concrete prose and science fiction Considering a variety of theoretical approaches including those of Ingarden Eco Dolezel Pavel and Hrushovski McHale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live Exploiting various theoretical approaches to literary ontology those of Ingarden Eco Dolezel Pavel Hrushovski and others and ranging widely over contemporary world literature McHale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking Two Novels Alain Robbe-Grillet, 1965 *Jealousy* In a tropical jungle overlooking a banana plantation a jealous husband is obsessed by his suspicion of adultery between his wife and his neighbor Robbe Grillet's handling of the devastating effect on the tormented husband and his subsequent violence gives us one of the most disturbing treatment of jealousy in contemporary fiction Publisher description **The Erasers** Alain

Robbe-Grillet, 2015-06-23 The first book from the French avant gardist and author of *Jealousy* Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for *Le Figaro* Alain Robbe Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century *The Erasers* his first novel reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy The narrative spans the twenty four hour period following a series of eight murders in eight days presumably the work of a terrorist group After the ninth murder the investigation is turned over to a police agent who may in fact be the assassin Both an engrossing mystery and a sinister deconstruction of reality *The Erasers* intrigues and unnerves with equal force as it pulls us along to its ominous conclusion On the surface and surface is the key word with this author *The Erasers* is a mystery story where a police agent named Wallas stalks an unknown assassin through a nameless puzzleboard Flemish town Nothing is certain The only thing the reader can be sure of is the laser precise detail in which all that isn't clear is described catalogued and analyzed *The Millions* A haunting mystifying evocation of a murder that will keep your attention riveted *The Dallas Morning News* Praise for Alain Robbe Grillet I can think of no other writer who can render the banal so fearfully fantastic Books and Bookmen I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet *The New York Times*

**The Voyeur** Alain Robbe-Grillet, 2015-06-23 The winner of the Prix des Critiques from the French avant garde author of *Jealousy* Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for *Le Figaro* Mathias a timorous ineffectual traveling salesman returns to the island of his birth after a long absence Two days later a thirteen year old girl is found drowned and mutilated With eerie precision Robbe Grillet puts us at the scene of the crime and takes us inside Mathias's mind artfully enlisting us as detective hot on the trail of a homicidal maniac A triumphant display of the techniques of the new novel *The Voyeur* achieves the impossible feat of keeping us utterly engrossed in the mystery of the child's murder while systematically raising doubts about whether it really occurred The suspense keeps us on tenterhooks *The New York Times Book Review* I can think of no other writer who can render the banal so fearfully fantastic In the subtlest slyest and most sheerly delightful way he persuades us to look anew at the commonplace Books and Bookmen Praise for Alain Robbe Grillet Robbe Grillet's theories constitute the most ambitious aesthetic program since Surrealism John Updike Pulitzer Prize winner Robbe Grillet is important because he has attacked the last bastion of the traditional art of writing the organization of literary space Roland Barthes influential literary theorist Robbe Grillet was a master at conveying human misunderstanding Bernard Henri Lévy public intellectual author and filmmaker I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet *The New York Times*

**Renaud Camus Érographe** Sjöf Houppermans, 2004 L'oeuvre de Renaud Camus compte plus de cinquante titres dans une dizaine de genres différents Son journal qui se poursuit depuis une bonne vingtaine d'années combine le récit d'une intimité mouvante avec une vue riche et perspicace de la société d'aujourd'hui Ses romans proposent des fictions baroques où le goût de l'aventure et l'inspiration du jeu

donnent le ton La rubrique topographie propose d'extraordinaires voyages de découverte dans plusieurs régions de la France profonde Son site sur le WEB est un des plus originaux dans le domaine littéraire Autour de ces pages gravitent d'autres textes de méditation et de plaisir de deuil et de réflexion Le lien la fois universel et très personnel qui réunit toutes ces critiques est marqué par la vivacité et l'impulsion du directeur Pour la première fois la présente tentative de donner une vue d'ensemble de la production camusienne en prenant comme point de départ la figure d'Eros et en orientant l'exploration suivant les nombreuses pistes qui satisfont le lecteur enthousiaste

*The Narrative Turn in Fiction and Theory* H. Meretoja, 2014-10-06

*The Narrative Turn in Fiction and Theory* explores the philosophical and historical underpinnings of the postwar crisis and return of storytelling and shows their relevance for the ongoing debate on the significance of narrative for human existence

**Inventing the Real World** Marjorie Hellerstein, 1998 Alain Robbe-Grillet uses techniques from film to make his novels and adapts novel techniques to construct and then shatter his film narratives Both forms of art are indebted to painters and printmakers visual perceptions of their material and their use of space and spatial relationships to construct artistic illusions

New York Nouveau Sara Kippur, 2025-08-12 Postwar French writers were at the vanguard of global literary innovation from the experimental minimalism of the Nouveau Roman to the literary games of the OuLiPo but less often appreciated is the extent to which they worked closely with US editors and translators published actively with American presses and often theorized transatlantic connections within their work In this exciting new work Sara Kippur proposes a new French literary history that traces the deep connections between postwar literary experimentalism and the New York publishing industry compellingly arguing that US based editors publishers producers professors and translators crucially intervened to shape French literature While Kippur attends closely to well known writers such as Marguerite Duras Samuel Beckett Eugène Ionesco Georges Perec and Alain Robbe-Grillet she also amplifies the voices of those who have been less visible though no less relevant including women whose contributions have not received proper credit but who helped to foster a sense of new possibilities for twentieth century French writing With these untold histories stitched together in this book through new archival discoveries from special collections and personal archives on both sides of the Atlantic Kippur begins to dismantle rigid notions of canonicity authorship and national literature

Ends and Odds Samuel Beckett, 2007-12-01

**Ends and Odds** brings together nine short dramatic works by the Nobel Prize winning author of *Waiting for Godot*

**Comics in French** Laurence Grove, 2010-07-01 Whereas in English speaking countries comics are for children or adults who should know better in France and Belgium the form is recognized as the Ninth Art and follows in the path of poetry architecture painting and cinema The bande dessinée comic strip has its own national institutions regularly obtains front page coverage and has received the accolades of statesmen from De Gaulle onwards On the way to providing a comprehensive introduction to the most francophone of cultural phenomena this book considers national specificity as relevant to an anglophone reader whilst exploring related issues such as text image expression historical precedents and sociological implication To do so it presents

and analyses priceless manuscripts a Franco American rodent Nazi propaganda a museum piece urinal intellectual gay porn and a prehistoric warrior who s really Zinedine Zidane *Quinquere* ,1985 **Artful Deceptions** Catherine Emerson,Maria C. Scott,2006 Selected papers from a conference organized at the National University of Ireland Galway in April 2004 Of Words and the World David R. Ellison,1993-03-22 Here David Ellison explores the problems encountered by France s best experimental authors writing between 1956 and 1984 when faced with the question What should my writing be about These years are characterized by the rise of the new novelists who questioned the representational function of writing as they created works of imagination that turned in upon themselves and away from exterior reality It became fashionable at one point to affirm that literature was no longer about the world but uniquely about the words on a page the signifying surface of the text Ellison tests this assumption showing that even in the most seemingly self referential fictions the words point to the world from which they can never completely separate themselves Through close readings Ellison examines the novels and theoretical writings of authors whose works are fundamental to our perception of contemporary French writing and thought Camus Robbe Grillet Simon Duras Sarraute Blanchot and Beckett The result is a new understanding of the link between the referential function of literary language and the problematic of the ethics of fiction **Degré second** ,1986 Studies in French literature from the Renaissance to the present **The New Novel in France** Arthur E. Babcock,1997 Babcock separates the myth from the history of a movement that began in the 1950s and persisted through the 1970s providing a fair and dispassionate account of its chief representatives While Babcock does look at these writers as participants in a movement he does not force a false unity on the group Through an examination of their exemplary novels Babcock gives a balanced view of their common concerns as well as their differences As the nouveau roman reaches its fiftieth year The New Novel in France offers the first major historical study of a literary form that continues to capture scholarly interest and to excite intense debate Historical Dictionary of French Literature John Flower,2022-05-15 With the possible exception of Great Britain France can justifiably lay claim to possess the richest literary history of any country in Western Europe This book covers the authors and their works literary movements and philosophical and social developments that have had a direct impact on style or content and major historical events such as the two world wars the Franco Prussian War the Algerian War or the events of May 1968 that are directly reflected in a substantial body of imaginative writing Historical Dictionary of French Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on individual writers and key texts significant movements groups associations and periodicals and on the literary reactions to major national and international events such as revolutions and wars This book is an excellent resource for students researchers and anyone wanting to know more about French literature

Maison De Rendez Vous And Djinn: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Maison De Rendez Vous And Djinn : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
