Adam Powell,2016-12-09 Lyman Bostock Jr had baseball in his blood The son of a former Negro League standout Bostock began his professional career with the Minnesota Twins in 1975 Two years later he became one of the first players in major league baseball to cash in on the new era of free agency signing with the California Angels for more than 2 million one of the richest contracts in sports history at that time But Bostock s true potential would never be known On September 23 1978 Bostock was shot and killed in Gary Indiana He was just 27 years old In *Lyman Bostock The Inspiring Life and Tragic Death of a Ballplayer* K Adam Powell tells the story of Bostock s humble beginnings in Birmingham Alabama his coming of age in Los Angeles his involvement in the Black Power movement his brief yet impactful baseball career and his senseless murder in 1978 Those who knew Bostock and played alongside him believed he was good enough to win multiple batting titles and perhaps even make the Hall of Fame some day More than just a ballplayer Bostock was known as a stand out citizen who never forgot where he came from investing hours of his time giving back to his community visiting with local

youth and hosting baseball clinics Lyman Bostock captures a remarkable era in professional baseball an era when ballplayers such as Bostock still engaged closely with their fans even as power shifted from management and owners to the players Through careful research exclusive interviews and rarely seen photographs Bostock's life and the times in which he lived are conveyed in intimate detail For baseball fans of all ages Lyman Bostock's biography is a poignant and inspiring story of an upcoming star whose life was cut much too short

50 Years Before Crack Thomas G. Rolston, 2004 Angela's Ashes tells of life in Ireland in the mid twentieth century as seen through the eyes of a poor boy Fifty Years Before Crack describes the culture of blue collar Baltimore during that same period fifty years before crack cocaine distribution became the principal industry In an era before credit cards two car garages shopping malls mutual funds designer jeans Little Leagues TV PCs and civil rights legislation boys earned pennies to supplement family income parents believed the word of adults rather than that of their children and the kids had a knack for entertaining themselves without adult involvement It also was a time when politicians were servants of the people rather than being self serving and teachers pastors police and lawyers were held in high esteem

The Grasshopper Bernard Suits, 2005-11-09 In the mid twentieth century the philosopher Ludwig Wittgenstein famously asserted that games are indefinable there are no common threads that link them all Nonsense says the sensible Bernard Suits playing a game is a

voluntary attempt to overcome unnecessary obstacles The short book Suits wrote demonstrating precisely that is as playful as it is insightful as stimulating as it is delightful Suits not only argues that games can be meaningfully defined he also suggests that playing games is a central part of the ideal of human existence so games belong at the heart of any vision of Utopia Originally published in 1978 *The Grasshopper* is now re issued with a new introduction by Thomas Hurka and with additional material much of it previously unpublished by the author in which he expands on the ideas put forward in *The Grasshopper* and answers some questions that have been raised by critics *That Year at Lincoln High* Joseph Gollomb,1918 **The Early Image of Black Baseball** James E. Brunson III,2009-09-12 This volume examines early black baseball as it was represented in the artwork and written accounts of the popular press From contemporary postbellum articles illustrations photographs and woodcuts a unique image of the black athlete emerges one that was not always positive but was nonetheless central in understanding the evolving black image in American culture Chapters cover press depictions of championship games specific teams and athletes and the fans and culture surrounding black baseball *Games, Sports, and Play* Thomas Hurka,2019-09-05 This volume presents new philosophical essays on a topic that s been neglected in most recent philosophy games sports and play Some contributions address conceptual questions about what games and sports have in common and that distinguishes them from other activities here many take their start from Bernard Suits s celebrated analysis of game playing in his book *The Grasshopper* and either elaborate it or propose an alternative to it Other essays discuss normative issues that arise within games and sports such as about fairness for example in the treatment of male and female athletes Yet others consider broader evaluative questions about the value of games and sports which some see as enabling the display of distinctive excellences *Games Sports and Play* includes a posthumous essay by Suits defending his claim in *The Grasshopper* that life in utopia would consist primarily in playing games The volume s chapters approach the topic of games sports and play from different angles but always in the belief that there is rich terrain here for philosophical investigation *Unitas--building Healing Communities for Children* Edward P. Eismann,1996 Unitas is an outreach therapeutic program serving Hispanic and African American children in the South Bronx To achieve what Unitas calls the healing of the child s brokenness the program has created a network of symbolic families composed of children and teenagers living in the same neighborhoods The teenagers play the roles of symbolic and surrogate parents and become the caretakers and indeed therapists of the younger children Dr Edward Eismann founder and director of Unitas provides the reader with a rich firsthand account of how he went about mobilizing the youth who would later become the core of his successful program He also offers some of the ideas in the social sciences and therapeutic literature which influenced the shaping of Unitas A series of training modules is included for persons interested in replicating this type of social program
