Abstract Nude Gwydion Suilebhan,2013 An enigmatic erotically charged portrait seems to reveal more about the people who view it than it reveals about itself As the painting moves backward in time it passes from owner to owner exploding the lives of everyone who encounters it In one home the portrait tips the balance in a barely suppressed power struggle among the members of a well to do family In another it awakens a great deal of confusion and passion between two former fraternity brothers In the home of the portrait s subject it inspires nothing but unrequited love and alienation between two dear friends And finally back in the moment of its creation

where the story both ends and begins the painting incites a terrible violence the tragedy that haunts it wherever it travels and that cannot be escaped *Objects of Special Devotion* Ray Broadus Browne,1982 This book demonstrates the importance of the study of fetishes and fetishism in the study of popular culture Some of the essays cover rather conventional manifestations in the world today others demonstrate the fetishistic qualities of some unusual items But all illustrate without any doubt that like the icon the ritual and many other items in society fetishes fetishism and fetishists must be studied and understood before we can begin to understand the complexity of present day society Japan ...
