Cord, 2021-06-16 The University of Oxford has been and continues to be one of the most important global centres for economics With six chapters on themes in Oxford economics and 24 chapters on the lives and work of Oxford economists this volume shows how economics became established at the University how it produced some of the world's best known economists including Francis Ysidro Edgeworth Roy Harrod and David Hendry and how it remains a global force for the very best in teaching and research in economics With original contributions from a stellar cast this volume provides economists especially those interested in macroeconomics and the history of economic thought with the first in depth analysis of Oxford economics **Nuffield Economics and Business**, 1994 This project integrates economics and business studies at AS and A level It combines a systematic and analytical approach to business with the applications of a streamlined body of economic theory An investigative approach is used throughout the resources in order to encourage students to take responsibility for their own learning Real world problems are examined using the critical insights of both subjects to create an active understanding of the important concepts **The Palgrave Companion to LSE Economics** Robert A. Cord, 2019-01-18 The London School of Economics LSE has been and continues to be one of the most

important global centres for economics With six chapters on themes in LSE economics and 29 chapters on the lives and work of LSE economists this volume shows how economics became established at the School how it produced some of the world's best known economists including Lionel Robbins and Bill Phillips plus Nobel Prize winners such as Friedrich Hayek John Hicks and Christopher Pissarides and how it remains a global force for the very best in teaching and research in economics With original contributions from a stellar cast this volume provides economists especially those interested in macroeconomics and the history of economic thought with the first in depth analysis of LSE economics Oxford Economics And Oxford Economists W. Young, F. Lee, 1993-02-19 This book focuses upon the development of economics at Oxford after the establishment of PPE and the contributions of Oxford economists during the years of high theory and afterwards Students recollections of tutorials and lectures and their tutors and lecturers along with examination questions and results amongst other aspects of teaching at Oxford are presented here for the first time In addition the many contributions of Oxford economists such as Harrod Allen Andrews Hicks Meade Richardson and Steindl including the staff of the Oxford Institute of Statistics along with the story of the Institute itself are dealt with Unpublished correspondence memoranda and papers are collected at various archives are cited to show that Oxford's contribution to the development of economics was equal to that of Cambridge
