Nuggets Of Wisdom And Folly:

Nuggets of Wisdom and Folly Ralph Louis Woods, 1975 **Nuggets of Wisdom** James Davies, 1903 **My Stories of Faith** Eric Elder, 2020-05-25

From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn't until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12 14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others when they needed a lift And that's what I'm doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13 13 With that as an introduction I'd like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I'll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder

Following Wisdom, Leading Wisely Jeff Roper, 2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today's leaders
