Numerology Astrology And Dreams:

Numerology, Astrology, and Dreams Dusty Bunker, 1987 Dusty Bunker examines the interrelationships between numerology astrology and dreams Using numerology she shows you how to discover your Personal Year Cycles and interpret the types of dreams you are likely to have during these important and predictable life cycles She also reveals the meanings of numbers and their corresponding geometric symbols when they appear in dreams From an astrological perspective she explains how your birth chart influences your world view then shows you how to understand your dreams within the context of your natal horoscope

How to Interpret Dreams by Numerology and Astrology Isidore Kozminsky, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Dream and the Text Carol Schreier Rupprecht, 1993-07-01 This book partakes of a long tradition of dream interpretation but at the same time is unique in its cross cultural and interdisciplinary methods and in its mix of theoretical and analytical approaches It includes a great chronological and geographical range from ancient Sumeria to eighteenth century China medieval Hispanic dream poetry to Italian Renaissance dream theory Shakespeare to Nerval and from Dostoevsky through Emily Bront to Henry James Rupprecht also incorporates various critical orientations including archetypal comparative feminist historicist linguistic postmodern psychoanalytic religious reader response and self psychology

The Dream Whisperer Davina Mackail, 2010-05-03 Whatever we re searching for more money better health or a new relationship our dreams hold the key Without dreams the world would not be as it is Did you know that Einstein s theory of relativity the Periodic Table Elias Howe s sewing machine and Paul McCartney s Yesterday all came from dreams Now it s your turn to discover your dream genius Practicing shaman Davina Mackail draws on her substantial professional experience and her own fascinating journey from the foothills of the Himalayas to the glacial peaks of the Andes to bring us this in depth exploration of the topic demystifying dreams without detracting from their magical potential Brought to life with dream stories from Davina s clients this unique study of the dream world will teach you how to interpret your dreams and exactly what techniques you need to begin creating your perfect life

[Astrology — Do the Heavens Rule Our Destiny?](#) John Ankerberg, John Weldon, 2011-11-23 A thorough analysis of this important subject is badly needed That is why this book addresses the vital issues of astrology authoritatively how astrology claims to work the world view about astrology the truth about chart interpretation the alleged evidence for astrology why astrology works astrology the occult It answers the questions What exactly is astrology Do the heavens really influence life on earth What does the Bible say about astrology Are astrology Christian doctrine compatible Many examples experiences are shared in this extensive study on astrology

[Simply Dreams](#) Jacqueline Towers, 2005 This A Z guide to dream interpretation presents the meanings of common and

unusual symbols from angels to zebras *The Clairvoyance of Dreams* Anna Mancini, While the ability to see the future in the waking state is far from being easy and far from being common among mankind dreaming about the future is absolutely common and easy because when we sleep our subconscious mind communicates naturally with our subconscious mind through dreams and automatically conveys information about the future it is creating Of course our subconscious mind is knowledgeable about our future because it is the one that creates it Throughout history many people have experienced spontaneous clear dreams about some important future events Like them you may naturally dream about your future whenever your subconscious mind decides it However you can also take consciously the initiative to trigger a dream about your future whenever you think that you need it This book will teach you how you can do it In this book I will explain two simple techniques for getting information about your future from your dreams whenever you want them I will also explain what makes these techniques more effective and what hinders them But at first let s see what clairvoyance is in general how the different types of clairvoyance work and what the different kinds of seers do And in case you decide to continue consulting clairvoyants instead of using your own abilities you will learn with this book how to get the most of your sessions since you will better understand what clairvoyance is and how it works *Astrology's Hidden Aspects* Dusty Bunker,2018-11-15 Discover astrological quintiles and sesquiquintiles as detailed by renowned astrologer Dusty Bunker Presented for the first time full interpretations of the astrological quintiles and the sesquiquintiles using the ten traditional planets and the Ascendant In this groundbreaking book astrologer Dusty Bunker reveals the importance of the 72 quintile and the 108 sesquiquintile two previously ignored astrological aspects which the Egyptians called the sacred golden bowls With information gathered over thirty years through studying esoteric numbers sacred geometry Masonic manuscripts religious texts Egyptian symbols and much more Dusty shows why these aspects should be considered among the most important in the lexicon of astrologers because they reveal your hidden talents and your legacy your path to fame With a dusty map in hand travel from the cosmic birth of the quintiles and the sesquiquintiles to the sand covered site where these golden bowl aspects have remained hidden all these years This important reference book should be part of every astrologer s library *Numerology and the Divine Triangle* Faith Javane,Dusty Bunker,2021-09-28 Numerology and the Divine Triangle is a seminal and all encompassing text that presents a complete introduction to the esoteric field of numerology This authoritative work is divided into two parts each with its own unique offerings Part I serves as a comprehensive introduction to the subject providing readers with a thorough foundation in the principles of numerology Part II features extensive delineations of each of the numbers from 1 to 78 What sets this book apart is its pioneering approach to synthesizing numerology astrology and Tarot symbolism presented here for the first time in book form Each number is explained in terms of its personal number vibrations temporary number vibrations astrological correspondences Tarot symbolism with each of the Tarot cards illustrated to aid comprehension Numerology and the Divine Triangle is a groundbreaking work that will set

the standard for all future books on the subject Its comprehensive and insightful content coupled with its innovative approach make it an essential resource for anyone seeking a deeper understanding of numerology Tarot and astrology
