John Charles Richards, James Flamberg

Nurse Betty The Shooting Script:

Nurse Betty John Charles Richards, James Flamberg, 1999 A Kansas City waitress with dreams of becoming a nurse becomes delusional after seeing her no good car salesman husband murdered She becomes delusional from the shock and becomes convinced that she is the former fiancée of her soap opera idol What she also believes is that the soap opera is real and goes to LA to find the hospital where he works as a cardiologist Meanwhile her husband's murderers are searching for the drugs stolen by her husband and as luck would have it they are stored in the trunk of the car she drove off in *Nurse Betty* John Charles Richards, James Flamberg, 2000 Working with the screenplay by John C Richards James Flamberg which is based on Richards short story Neil LaBute In the Company of Men Your Friends Neighbors directs the first film that he hadn't written himself and found that that it all added up to a year of bold experimentation for me A darkly comic story about one woman's incredible determination to make her dreams come true against numerous odds fantasy collides with reality as the main character Betty Sizemore Renee Zellweger inspires herself and everyone she meets to find at least a piece of their real selves Her road journey goes from mid America to points West from Kansas to the Grand Canyon to Los Angeles The Newmarket Shooting Script book includes the complete shooting script including scenes that were cut during editing an introduction and notes by the director written exclusively for this edition stills and full credits *The Mind-Game Film* Thomas Elsaesser, 2021-03-28 This book represents the culmination of Thomas Elsaesser's intense and passionate thinking about the Hollywood mind game film from the previous two decades In order to answer what the mind game film is why they exist and how they function Elsaesser maps the industrial institutional challenges and constraints facing Hollywood and the broader philosophic horizon within which American cinema thrives today He demonstrates how the Persistence of Hollywood continues as it has adapted to include new twists and turns as well as revisions of past concerns as film moves through the 21st century Through examples such as Minority Report Mulholland Drive Source Code and Back to the Future Elsaesser explores how mind game films challenge us and play games with our perception of reality creating skepticism and self doubt He also highlights the mind game film's tendency to intervene in a complex fashion in the political moment by questioning the dominant power's intent to program both body and mind alike Prescient and compelling The Mind Game Film will appeal to students scholars and enthusiasts of media studies film studies philosophy and politics **The Transatlantic Gaze** Mary Ann McDonald Carolan, 2014-02-01 Tracks the influence of Italian cinema on American film from the postwar period to the present In The Transatlantic Gaze Mary Ann McDonald Carolan documents the sustained and profound artistic impact of Italian directors actors and screenwriters on American film Working across a variety of genres including neorealism comedy the Western and the art film Carolan explores how and why American directors from Woody Allen to Quentin Tarantino have adapted certain Italian trademark techniques and motifs Allen's To Rome with Love 2012 for example is an homage to the genius of Italian filmmakers and to Federico Fellini in particular whose Lo sceicco bianco The White Sheik 1952 also

resonates with Allen's *The Purple Rose of Cairo* 1985 as well as with Neil LaBute's *Nurse Betty* 2000 Tarantino's *Kill Bill* saga 2003 2004 plays off elements of Sergio Leone's spaghetti Western *C'era una volta il West* Once Upon a Time in the West 1968 a transatlantic conversation about the Western that continues in Tarantino's Oscar winning *Django Unchained* 2012 Lee Daniels's *Precious* 2009 and Spike Lee's *Miracle at St Anna* 2008 meanwhile demonstrate that the neorealism of Roberto Rossellini and Vittorio De Sica which arose from the political and economic exigencies of postwar Italy is an effective vehicle for critiquing social issues such as poverty and racism in a contemporary American context The book concludes with an examination of American remakes of popular Italian films a comparison that offers insight into the similarities and differences between the two cultures and the transformations in genre both subtle and obvious that underlie this form of cross cultural exchange
