Knowledge Development in Nursing - E-Book Peggy L. Chinn,Maeona K. Kramer,2015-02-01 Showing how the different types of knowledge affect nursing theory Knowledge Development in Nursing Theory and Process 9th Edition helps you understand nursing theory and its links with nursing research and practice It examines the principles of knowledge development including the relationship between patterns of knowing and explores how evidence based nursing theory can be used to improve patient care Written by nursing educators Peggy Chinn and Maeona Kramer this edition is updated with the latest advances in theory development and additional examples of how nursing theory applies to clinical practice Discussion of Patterns of Knowing includes empiric personal aesthetic ethical and emancipatory knowledge defining the five different types of knowledge and how they relate to each other Full color map in the front of the book enhances your understanding with a visual representation of how the patterns of knowing are related Discussion of evidence based practice provides examples of how the five patterns of knowing may be applied to nursing practice A comprehensive discussion of theory theory development and the relationship of theory to nursing research and practice helps you learn to apply theory to practice Think About It questions sharpen your understanding of the emancipatory knowing process of praxis critical reflection and action that transforms experience Interpretive summaries highlight the essential features of major theories making conceptual frameworks easier to learn and remember A glossary defines the key terms and concepts of nursing theory An Evolve companion website includes more case studies a Pattern of Knowing animation and additional learning resources Knowledge Development in Nursing Peggy L. Chinn,Maeona K. Kramer,2014-09-02 Examines the principles of knowledge development including the relationship between patterns of knowing and explores how evidence based nursing theory can be used to improve patient care Social Awareness and Leader Influence Rose A. Mueller-Hanson,2009 This research entailed developing and testing a detailed program of instruction to help Army leaders improve their social awareness and influence skills Based on input from Soldier subject matter experts and the behavioral sciences literature two training programs were developed a six hour classroom course and a parallel web based course Additionally four assessments were created a Social Awareness and Influence Skills Self assessment to assess self perceptions of skills a knowledge test to assess learning in the course a situational judgment test SJT to assess the students ability to apply social insight and judgment to interpersonal situations and a web based role play to assess the students ability to apply influence tactics These courses and assessments were then subsequently tested in two pilot samples Results of the participant reactions questionnaire indicated that the training programs in both the classroom and web based formats were well received by the target audience and that participants gained new knowledge as a result of the course Results also indicated promise for the measures piloted in this project The outcomes of this effort include a fully developed classroom based POI

and a companion prototype web based POI that are suitable for first line Army leaders E4 to E6 and O1 to O3 *Awareness and Influence in Health and Social Care* Rosemary Cook, Alison Davies, 2021-03-24 This is a book about the skills habits and behaviours that make people influential The good news is that influence is not just for senior people or people in specific jobs any more The old hierarchies are breaking down and front line expertise is valued by policy makers more than ever before You can be well known and influential from anywhere Anyone can do it if they are prepared to put some personal effort into it This comprehensive easy to read guide covers every kind of influential activity and teaches you how to make the most of every opportunity across all levels It is the only practical text on the topic designed specifically for health and social care professionals The insider information helpful tips checklists and developmental exercises throughout aid in application and top tips from professionals currently influencing different arenas of national policy and practice help give you an edge This book is ideal for nurses in acute and primary care including health visitors and midwives Professionals in social care allied health and clinical science will also find it invaluable as will postgraduate health and social care students undertaking development and leadership courses **Health planning reports subject index** United States. Health Resources Administration, 1979 *Research Grants Index* National Institutes of Health (U.S.). Division of Research Grants, 1971

Gerontological Social Work in Action Wendy Hulko, Shari Brotman, Louise Stern, Ilyan Ferrer, 2019-12-06
Gerontological Social Work in Action introduces anti oppression gerontology AOG a critical approach to social work with older adults their families and communities AOG principles are applied to direct and indirect practice and a range of topics of relevance to social work practice in the context of a rapidly aging and increasingly diverse world Weaving together stories from diverse older adults theories research and practical tools this unique textbook prompts social workers to think differently and push back against oppressive forces It pays attention to issues realities and contexts that are largely absent in social work education and gerontological practice including important developments in our understanding of ageism theories of aging and social work sites and sectors of health and social care managing risk and frailty moral ethical and legal questions about aging including medical assistance in dying caregiving dementia and citizenship trauma and much more This textbook should be considered essential reading for social work students new to or seeking to specialize in aging as well as those interested in the application of anti oppressive principles to working with older adults and researching later life
