Nursing Leadership and Management Patricia Kelly, Heather Quesnelle, 2015-09 Nursing Leadership and Management Patricia Kelly, Heather Crawford, 2012-02-08 NURSING LEADERSHIP AND MANAGEMENT Second Edition provides a dynamic and insightful presentation of the leadership and management issues most important to Canadian nurses in a manner that makes the topics relevant and accessible to today's nursing students and beginning nurses. It is written by contributors who are nursing teachers as well as clinical specialists from across Canada providing a complete view of nursing leadership and management in Canada in the 21st century. The Canadian author Heather Crawford integrates the chapters into a cohesive, accessible and readable framework for students. Nursing Leadership & Management Patricia Kelly, 2008 This newly revised edition of Nursing Leadership and Management is a dynamic and insightful presentation of the leadership and management issues most important to today's nursing leaders. Rooted in evidence and research, this work offers solid foundations and real-world perspectives from nurses, managers and health care personnel. Key topics at the forefront of every successful manager's agenda, such as quality improvement, health care economics, delegation, informatics, politics and collective bargaining, are covered in depth. **Nursing Leadership and Management in Canada** Judith Mary Hibberd, Donna Lynn Smith, 2006 Nursing Leadership and Management in Canada is a contributed text that introduces leadership and management principles for both nursing students and first-level managers. Comprehensive coverage of theory is combined with extensive coverage of skills and basic principles are explained throughout with the use of practical examples and case studies. Leadership Profiles boxes feature photographs and brief biographies of key Canadian nursing leaders. Numerous case studies aid students and practitioners in applying the practical implications of management theory. Nine entirely new chapters including: A population health approach to planning, An overview of the nursing workforce in Canada, Structure in health agencies, Legal framework for health agencies and services, Accountability in the Canadian Health System, Health agencies and self-governing professions, Nursing information and outcomes, Nursing Administration Research, Policy analysis. Inclusion of Leadership Profiles boxes featuring photographs and brief biographies of Canadian nursing leaders. Part openers introduce the content and implications to nursing practice. Additional case studies aid students and practitioners in seeing the practical implications of management theory. A greater degree of introductory material to enable first-time nursing management students to learn the basic principles on which nursing management theory is based. Case example boxes throughout the text. Two-colour interior design highlights pedagogical elements and key information.
