

Nurturing Success

Vern Rosales

Nurturing Success:

Nurturing Success Helen Sonnet, 2008 This book has been written to help those children for whom school is a deeply unhappy experience This is often those children whose academic difficulties or inappropriate behaviour prevent them from achieving success in the classroom resulting in their feeling marginalised Nurturing Success Essie Lee, 2000-03-30 Although interest in mother daughter relationships has led to a plethora of books on the subject these books all consider situations found in the mainstream white population In this book relationships between mothers and daughters from 13 ethnic groups including Asian Black Latino and Native American are explored The voices of 17 highly successful mothers in different stages of their life and their 19 daughters are heard The reader will learn of their values intergenerational relationships and the mother's influence as a role model The research that confirms and validates these women's life stories is discussed The book provides valuable insight into the issues facing minority women in the United States Although the women in these case studies come from diverse multi ethnic backgrounds they have all faced traditional and ethnic barriers and been able to achieve success becoming role models for their daughters The book is both a significant contribution to women's and ethnic studies social sciences and education
