Peguy Cahiers De La Quinzaine:

Péguy and Les Cahiers de la Quinzaine Daniel Halévy,1946 **Cahiers de la Quinzaine. [Edited by C. Péguy.]**
Sér. 2, Etc CAHIERS.,1901 **The Politics of Modernism** Siri Wennberg Pratt,2006 *Les Cahiers de la Quinzaine de Péguy* Ugo Rolandi,2002 Charles Peguy s poetic work is well known to the general public but we often ignore the poet managing the magazine Les Cahiers de la Quinzaine This study presents the evolution of this journal founded in 1900 **La Vocation de Charles Péguy** Charles Péguy,1925 **La Vocation de Charles Péguy** Marcel Péguy,1926 *The Politics of Modernism* Siri Wennberg Pratt,2003 **The Culture and Politics of Dreyfusisme** Clark Cavanaugh Smith,1972
CONTEMPORARY EUROPEAN WRITERS WILLIAM A. DRAKE,1928 *The Passion of Charles Péguy* Glenn H. Roe,2014
In many ways the development of twentieth century literary criticism and theory can be seen as a prolonged struggle against the pervading influence of nineteenth century positivist historicism Anglo American New Criticism and later French Post structuralism and Deconstruction are the best known instances of this conflict Less widely known but no less important to contemporary literary studies are Charles P guy s earlier debates with French academic historicism in the years leading up to World War One First examined by Antoine Compagnon in his ground breaking work *La Troisième République des lettres* in 1983 it is a period in French literary and cultural history that remains some thirty years later largely untreated in English This book thus addresses an important albeit relatively unexplored moment in the development of twentieth century literary history and theory By way of P guy s foundational polemics with modernity and his role in the related crisis of historicism we gain a better understanding of the critical basis from which similar anti positivist and anti historicist critiques were later enacted on both sides of the Atlantic In situating P guy s passions and polemics within the larger cultural and historical context Glenn H Roe invites us to reconsider and re evaluate P guy s place among twentieth century literary figures Beyond its literary critical aspects *The Passion of Charles P guy* provides a general view of early twentieth century debates related to the role of literary studies in modern society the reform of the French educational system and the formation of literary history as an academic discipline in both France and abroad *Bulletin of the Public Library of the City of Boston* Boston Public Library,1915 **French XX Bibliography** William J. Thompson,2006-09 Provides a listing available of books articles and book reviews concerned with French literature since 1885 This work is a reference source in the study of modern French literature and culture The bibliography is divided into three major divisions general studies author subjects arranged alphabetically and cinema **The Portal of the Mystery of Hope** Charles Peguy,2005-05-01 Translated by David L Schindler Jr In what is one of the greatest Catholic poetic works of our century P guy offers a comprehensive theology ordered around the often neglected second virtue which is incarnated in his celebrated image of the little girl Hope
Certain Ideas of France H. L. Wesseling,2002-06-30 The title of this book is of course inspired by the famous opening words of General de Gaulle s *Memoirs of the Second World War* All my life I have thought of France in a certain way

Wesseling brings together his essays dealing with a great variety of subjects such as culture society politics and diplomacy with one section devoted entirely to French historians The first section contains an chapter on the famous painter Ary Scheffer and the France of his time that is to say the first half of the 19th century The second chapter continues this theme and deals with mile Zola and the Paris of the Second Empire Two other chapters discuss aspects of the Third Republic sports and students respectively The second section is devoted to French intellectuals It offers the first in depth analysis of the group of intellectuals that supported Zola and Dreyfus Chapter six deals with one of the great literary figures of the interwar period and later a notorious collaborator Robert Brasillach Chapter seven contains a vivid sketch of the life and work of the famous French intellectual Raymond Aron The third section is devoted to politics and diplomacy French foreign policy is discussed both in its long term perspective as well as more specifically in the period of Charles de Gaulle De Gaulle s idea of France is compared with that of an author by whom he was greatly influenced Charles P guy Finally there is a section on French history writing including two biographical essays one about Gabriel Hanotaux the once famous but now nearly forgotten historian who became Minister of Foreign Affairs and another on Fernand Braudel the great contemporary French historian and close friend of Wesseling Of particular interest to scholars students and other researchers involved with French history the history of ideas and European historiography

Revolution and the Republic Jeremy Jennings,2011-06-16 A history of political thought in France from the French Revolution of 1789 to the present day

Consciousness and Society H. Stuart Hughes,Stanley Hoffman,2017-07-05 Hughes ideas and the way they are expressed in Consciousness and Society have become paradigms of twentieth century scholarship In dealing with the changing social thought after 1890 in Europe Hughes covers a wide array of thinkers and issues in a scholarly yet graceful manner His is a study of the cluster of genius of Europe at that time Croce Durkheim Freud Weber and Nietzsche as well as other great European minds The book explores questions that are still relevant in today s society Is the separation of facts and values tenable or even desirable Can rationality accommodate the ideas of a Bergson or a Freud Is there or should there be a relationship between science and religion And does history have any ultimate meaning for later generations
