Cousens, 2011 Focusing on a deep metaphysical interpretation of the Torah Torah as a Guide to Enlightenment presents for the first time the original intention of the Jewish tradition an explicit guide to liberation from the mystical Jewish

enlightenment point of view Provided by publisher **Travels with the Evil Inclination** Gershon Winkler, 2004 According to Jewish theology the Evil Inclination or yetzer ha ra is the little voice inside us all goading us against our better judgment to do bad things Travels with the Evil Inclination is Gershon Winkler's hilarious account of his struggles with the Evil One and the life journey that takes him from an ultra Orthodox upbringing in Brooklyn New York to an ultra Flexidox lifestyle in rural New Mexico Through his early childhood in Denmark and his yeshiva boyhood in Brooklyn his years in the U.S. Army and those spent ranching in Colorado Winkler's faith and belief undergo constant upheaval as he grapples towards a reconciliation of his passion for religious tradition with his passion for things more earthly With irreverence and humor Winkler tells his tale of personal spiritual dissolution and his subsequent re-emergence as a teacher and writer exploring the long forgotten connections between Judaism and shamanism Travels with the Evil Inclination is an inspiring and entertaining story of the unusual life of a most original man Daily Kabbalah Gershon Winkler, 2011-10-25 From sorcery to animal

totems buzzard feathers to hawk spirits talking trees to magical stones sacred circles to healing rituals the Kabbalah brings readers a rich body of ancient wisdom that has been long neglected and even longer misunderstood The Kabbalah celebrates a quality of consciousness that enables one to experience magic in the ordinary miracles in the natural course of events and spirituality in the physical Its roots are as old and rich as most aboriginal shamanic traditions sharing in common with many of them the belief that all of creation is alive from animals and plants to the sun and the moon The uniqueness of this book lies in its selections from this rare tradition of Jewish mystery wisdom Culled from ancient and medieval Hebraic and Aramaic sources much of this material has been hidden in dusty archives or obscure translations These short selected readings are intended as contemplative inspirational and even entertaining extracts As short as a few lines or as long as a page they are translated and paraphrased here to render them accessible to readers of all backgrounds and spiritual paths

Contemporary American Judaism Dana Evan Kaplan, 2009-08-22 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries American Judaism is being transformed by the spiritual decisions of

tens of thousands of Jews living in all corners of the United States A pulpit rabbi and himself an American Jew Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today From Hebrew tattooing to Jewish Buddhist meditation Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities While pessimists worry about the vanishing American Jew Kaplan focuses on the creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible He believes that the reorientation of American Judaism has been a bottom up process resisted by elites who have only reluctantly responded to the demands of the spiritual marketplace The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising leading to innovative approaches that are supplanting existing institutions The result as Kaplan makes clear is an exciting transformation of what it means to be a religious Jew in twenty first century America

Chosen Will Become Herds Jonathan Garb,2009-08-25 A noted expert on Kabbalah Jonathan Garb places the kabbalistic Renaissance within the global context of the rise of other forms of spirituality including Sufism and Tibetan Buddhism

Romans Jamie L. Perez,2001 As scholar and sage filled with knowledge and zeal Paul revolutionized Messianic Judaism What had been limited primarily to Jews Paul opened up the masses of uneducated and morally repulsive Gentiles How could he Scripturally justify profaning God s established religion in this way How could he bring two completely opposite groups together He did it by explaining the Hebrew Scriptures so that both groups could understand their role in it This Bible study goes back to Paul s source text the Hebrew Scriptures to explain his letter to the Roman Congregation By placing ourselves in the Roman world without a New Testament where new religions are outlawed and where Judaism is the only religion of the One True God we rediscover a world we ve long misunderstood This exciting new study is designed to give the Bible student a thorough understanding of the Jewish theology behind Paul s words It reveals the one Scripture and one message that has been proclaimed since the beginning of time Paul examined the hidden gems that Messiah uncovered in the Hebrew Scriptures and now we can explore that treasure chest with him
