Pocket Poets Kipling:

Pocket Poets Kipling Rudyard Kipling, 2002 The World's favorite poets in pocket editions The Pocket Poets series small robust and beautifully designed volumes containing selections from the verse of some of the world's finest poets In these literally pocket sized collections readers will find not only some of these authors most famous poems but also some of their work which though less well known is often as good or better Here too are extracts from longer narrative poems Now for little more than the price of a birthday card each book in the series will provide readers with everything that fine poetry offers First title in the series is *If and other poems* Kipling Rudyard Kipling, 2016-11-03 This pocket sized selection of Rudyard Kipling's verse contains not only this classic but many of his greatest poems in testimony to a writer who possessed a precocious gift for rhyme and a brilliant ear for language

Poems Rudyard Kipling, 2007 Rudyard Kipling 1865-1936 is perhaps the most controversial major English poet of the last two centuries not least because of his apparent enthusiasm for the empire A child of British India he first became famous for tales of imperial life notably *Kim* the *Jungle Book* and *Barrack Room Ballads* Kipling wrote verse in every classical form from the epigram to the ode but his most distinctive gift was for the ballads and narrative poems in which he draws vivid characters in universal situations and articulates profound truths in plain language Yet he was also a subtle and deeply affecting anatomist of the human heart with a feeling for the natural world which rivals his younger contemporary D H Lawrence Shattered by World War I in which he lost his only son his work darkens and deepens in later years but never loses its extraordinary vitality

Kipling: Poems Rudyard Kipling, 2013-10-23 Beloved for his fanciful and engrossing children's literature controversial for his enthusiasm for British imperialism Rudyard Kipling remains one of the most widely read writers of Victorian and modern English literature In addition to writing more than two dozen works of fiction including *Kim* and *The Jungle Book* Kipling was a prolific poet composing verse in every classical form from the epigram to the ode Kipling's most distinctive gift was for ballads and narrative poems in which he drew vivid characters in universal situations articulating profound truths in plain language Yet he was also a subtle affecting anatomist of the human heart and his deep feeling for the natural world was exquisitely expressed in his verse He was shattered by World War I in which he lost his only son and his work darkened in later years but never lost its extraordinary vitality All of these aspects of Kipling's poetry are represented in this selection which ranges from such well known compositions as *Mandalay* and *If* to the less familiar emotionally powerful and personal epigrams he wrote in response to the war

Selected Poems Rudyard Kipling, 2006-06-29 Rudyard Kipling 1865-1936 is often regarded as the unofficial Laureate of the British Empire Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling's talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations of British expansion overseas including *Mandalay* and *Gunga Din* to the dignified and inspirational

If and the later deeply moving *Epitaphs of the War* inspired by the death of Kipling's only son it clearly illustrates the scope and originality of his work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century *Lions and Scavengers* Ben Shapiro,2025-09-02 In a world split between noble Lions and destructive Scavengers only the brave can lead the way Ben Shapiro knows that at the heart of today's conflicts political economic and cultural there's a dangerous idea that all people are equal in ability and that all inequality stems from oppression and exploitation Shapiro refutes that idea emphasizing that in a free country inequality is rooted in differences of talent and work ethic not oppression and that the best solution to lack of success lies in duty and virtue Lions like America's founding fathers strive for the highest good building systems that promote freedom prosperity and equality of opportunity Meanwhile Scavengers degrade these ideals spreading resentment and entitlement that threaten to dismantle the foundations of Western civilization **Naked and Unashamed** Gerry Root,Claudia Root,2018-06-15 Happy marriages don't just happen Despite the abundance of magazines and self help books available people continue to struggle with marriage *Naked and Unashamed* describes the diligent necessary work to maintain marriage as well holistic character that the nakedness asked of each individual extends from how we communicate to how we grow spiritually to how we manage our finances and to how we make love Every marriage is a snapshot of and testimony to God's covenant relationship with His Church Without mincing words Dr Jerry Claudia and Jeremy offer real help through practical and spiritual advice on these topics and more Undressing for Intimacy Unpacking Communication Exploring Expectations Undressing for Sex *Naked and Unashamed* challenges couples to embrace a holistic lifelong undressing for marriage Throughout the book presents a picture of marriage in which relational and spiritual intimacy may be found in every aspect of the relationship The book should enrich both marriages and the Christian life of the individuals within marriage I have performed scores of weddings over the years and my wife and I have done the premarital counseling I wish this insightful book had been available for us LYLE W DORSETT PhD Billy Graham Professor of Evangelism Beeson Divinity School *Naked and Unashamed* is a must read for any couple seeking to do Christian marriage in a way that is glorifying to God Part master class part playbook this frank and easy to understand guide is packed with critical insights and practical wisdom that can be applied immediately This book leaves its readers equipped to engage in their marriage relationship in a truly transformational way I cannot recommend it highly enough MICHELLE MOUJAES Founder and Executive Director Faithtree Resources This is the premarital resource I have been waiting for Incredibly rich with wisdom and insight *Naked and Unashamed* is for every couple who are more interested in staying married than they are in getting married I highly recommend this book for anyone seeking a deeper fuller richer understanding of biblical marriage JIMMY DODD Founder and President of PastorServe author of *Survive or Thrive Six Relationships Every Pastor Needs* **The Pocket Guide to Poets & Poetry** Andrew Taylor,2011-07-12 A concise history and guide to poetry with short biographies of approximately 250 poets from Homer to Heaney and Dickinson to Dylan

(Routledge Revivals) Marie Mulvey-Roberts, 2014-08-01. A surprisingly large number of English poets have either belonged to a secret society or been strongly influenced by its tenets. One of the best known examples is Christopher Smart's membership of the Freemasons and the resulting influence of Masonic doctrines on *A Song to David*. However, many other poets have belonged to or been influenced by not only the Freemasons but the Rosicrucians, Gormogons and Hell Fire Clubs. First published in 1986, this study concentrates on five major examples: Smart, Burns, William Blake, William Butler Yeats and Rudyard Kipling, as well as a number of other poets. Marie Roberts questions why so many poets have been powerfully attracted to the secret societies and considers the effectiveness of poetry as a medium for conveying secret emblems and ritual. She shows how some poets believed that poetry would prove a hidden symbolic language in which to reveal great truths. The beliefs of these poets are as diverse as their practice, and this book sheds fascinating light on several major writers.

What is Christianity? Douglas Jacobsen, 2021-10-25. *What Is Christianity* provides a fascinating overview of the world's largest religion, weaving history, theology, spirituality, denominational divisions and global growth into a single compelling story. Written in clear and captivating prose that requires no previous knowledge of Christianity, it describes the religion inspired by Jesus as a living faith that is still changing and developing today. Reader-friendly chapters introduce the major traditions of Christianity: Eastern Orthodoxy, Roman Catholicism, Protestantism and Pentecostalism, explaining their spiritual appeal and tracing their evolution over the centuries. Christianity's recent global expansion is highlighted, but Christianity has been a diverse and multicultural movement from the very beginning. Each chapter provides thought-provoking insights into the beliefs, values, practices, achievements and failures of Christians as they tried to remain faithful to the message and meaning of Jesus in different times and places. Condenses a vast amount of information into a coherent narrative. Explains how and why Christianity has become so incredibly diverse. Describes what almost all Christians have always held in common. Summarizes the current status of Christianity in each global region. Discusses the challenges that Christians worldwide are facing today. *What Is Christianity* is an ideal introduction to Christianity as a world religion for people who are unfamiliar with Christianity, as well as for Christians who want to know more about their own faith and the faith practices of fellow believers from other Christian traditions. An engaging text for general readers, this short volume will also be a stimulating choice for book discussion groups and/or for the classroom.
